All Jacked Up: Rough Riders Book 8

Jack Donohue is a certified pain in Keely McKay's Wranglers. Keely needs another man giving her orders like she needs a hole in her boot. What she does need is a restoration specialist so she can open her physical therapy clinic--and prove she's left her wild-child days behind.

One hot-blooded cowgirl and one cool-headed businessman in a stripped-down, revved-up game of sexual truth or dare. As the lone girl in the prolific McKay family, Keely McKay doesn't need another man giving her orders. What she does need is a restoration specialist to help her open her physical therapy clinic--and that expert is none other than buttoned-down, uptight Jack Donohue--her brother's best friend and a certified pain in her Wranglers. Jack is this close to securing a career-defining project, until he learns his bachelor status puts him out of contention. When the notoriously hot-bodied-but-hot-tempered Keely begs him for help, he proposes a crazy idea; he'll personally oversee her restoration--if she acts the part of his fiancEe. Their sizzling lust overtakes common sense and suddenly they've gone from butting heads to knocking boots, but outside the bedroom they're as mismatched as ever. The McKays remind Jack of the humble upbringing he left behind, and country girl Keely feels she doesn't measure up to Jack's big-city expectations. As the dust settles, Jack and Keely worry they're not fooling anyone but themselves. Can they stop pretending long enough to see that they've stumbled on to the real deal?

The strongest bonds are the ones unseen… Businesswoman Skylar Ellison never intended to get tangled up with a sexy Wyoming cowboy—let alone conceive a baby with him in the parking lot of a honky-tonk. When it appears her baby daddy has taken off for greener pastures, Skylar pulls up her bootstraps and carries on alone. Rancher Kade McKay is knocked for a loop when he returns home after a year on the range and finds out he's the father of a three-month-old baby girl. When Skylar refuses to marry him, Kade grits his teeth, moves in and plays house by her rules to prove he's a man in for the long haul. Despite Skylar's insistence they are to remain strictly parenting partners for baby Eliza, their old passions flare hot as a prairie fire, spurring Kade to demand total sexual surrender from the headstrong woman. Skylar willingly submits her body to the hot-blooded cowboy, but she's hesitant to hand Kade the reins to her heart. Can Kade convince Skylar the wicked sex games aren't a temporary distraction? Or will he have to break out the ropes to show her he wants to be tied to her…forever?
