"I am an ordinary person with an extraordinary past." In this true and moving story, Alter Wiener, a teen Holocaust survivor of five Nazi prison camps during World War II, transports young readers back in time when an unexpected person demonstrated moral courage in repeated acts of kindness toward him. From nationally acclaimed author and speaker Trudy Ludwig and award-winning illustrator Craig Orback, Gifts from the Enemy shows how acts of social justice and kindness can change lives. Parents and teachers will find this story a valuable and timely resource to help children understand in an age-appropriate way about the Holocaust and the dangers of hatred, stereotyping, and prejudice. The back matter includes a note from Holocaust survivor Alter Wiener to readers, discussion questions, activities to promote kindness, and more! Gifts from the Enemy is based on From a Name to a Number: A Holocaust Survivor's Autobiography self-published by Alter Wiener in 2007.

Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The book of Romans was Paul's greatest literary achievement, a majestic letter in which the apostle expounds on crucial doctrines such as original sin, election, substitutionary atonement, the role of the law, and justification by faith alone. Plumbing the theological depths, Jared Wilson writes with a pastor's eye toward understanding and application as he explains the biblical text with clarity and passion, helping readers follow along as Paul recounts the history of salvation and illuminates the glories of the cross of Christ.
