In July, my church announced a 10-day mid-year fast that would be 4 days - breaking with food, 3 days - break with fruit, 3 days - break with only water. I was involved in that fast and here is what I learnt from it. Disclaimer: This is my PERSONAL account, written to inspire faith and not to mandate you to do anything.

Fasting for 10 days - What i learnt in 5 key lessons

I chose this book as it looked like a good compromise and the 10-days approach sounded cool. It reached the point: I improved my reading from 185 wpm to about 350. Bear in mind that reading at this speed (at the end of the book) requires effort and probably it needs a lot of practice to transform it in an habit.

The New York Times–bestselling author of *Better Than Normal*, esteemed psychiatrist Dale Archer, M.D., reveals how ADHD might be the key to your success. For decades, in the United States and in countries around the world, physicians delivered the diagnosis of ADHD to patients as bad news and warned them about a lifelong struggle of managing symptoms. But *The ADHD Advantage* explodes this outlook, arguing that some of the most highly successful entrepreneurs, leaders, and entertainers have reached the pinnacle of success not in spite of their ADHD but because of it. People with ADHD are restless, endlessly curious, often adventurous, willing to take smart risks, and unusually resilient, and their ranks include some of the greatest entrepreneurs of our time. Sharing the stories of highly successful

people with ADHD, Archer offers a vitally important and inspiring new way to recognize ADHD traits in oneself or in one's loved ones and then leverage them to great advantage. Readers will learn to harness mental energy for greater creativity, embrace multitasking, and build a path to great success—without medication. As someone who not only has ADHD himself but has never used medication to treat it, Dr. Archer understands the condition from a unique professional and personal standpoint. Armed with new science and research, and his own personal experience, he teaches readers to embrace their natural strengths and innate potential.

#1 Speed Reading Book on Amazon for 2 Straight Years This book has quickly become the go to standard for rapidly improving reading speed. It offers simple tips to not only accelerate your reading, but comprehension and memory. Unlike other books that merely teach you to skim & scan, this book taps into your brain and eyes' amazing power to naturally read more words in a shorter time. Please Note There are a growing number of trolls and copycats on Amazon. They copy hard work of legitimate authors and post malicious reviews on their book to boost their own ranking. They don't take the time to understand a topic, only copy what others have written to make money. In fact, much of their content is taken directly from here as I've spent the last 15 years understanding how to optimize performance of the mind to enhance these areas & more. You will see that in the types of tips this book offers and how they are offered. In fact, it is the only speed reading book that presents practice drills at the end of every chapter, so by the time you get to the last page, you will have double or tripled your reading, learning, and memory of written information.
