Practice Books provide just the right amount of practice for children to complete independently in the final section of the lesson, or as homework. School Jam Our new parent engagement app to support schools following Power Maths and/or White Rose Maths.

*** Revised Edition *** Maths/Numerical Reasoning Practice Book has been specifically designed for CEM style numerical reasoning practice. The exercises are organised into three sections: Short Maths, Long Numerical Reasoning and Answer matching; the three most common CEM exam question types. The exercises cover the breadth of the KS2 maths syllabus and use the new exam format to provide ample practice to best prepare for both the Grammar school and independent schools. The exercises are compatible with CEM, GL and most entrance exams of selective Grammar Schools and selective independent schools. This is part of a three book series, with each book providing exercises of increasing levels of difficulty. Successfully used and recommended by children taking the Eleven Plus exam in the past, the content will help build your child's numerical reasoning capability and confidence! Mastering 11+ brings to you a series of titles specifically designed to help children taking the 11+ selective exams

Download Free 11 Maths Practice Book With Assessment Tests Ages 7 8
