## Magazine

In considering a  
group that

identified with

Victorian

American culture  
and its

anxieties while

adhering to an  
occult worldview

that most of

their

contemporaries

# Nighthawk

# Where To Download 1983

found strange,  
if not  
dangerous, the  
book explains  
why these middle-  
class Americans  
found Theosophy  
so persuasive  
and why they  
left family and  
friends behind  
to take up  
residence at  
this California

# Nighthawk

# Where To Download 1983 settlement."--BO OK JACKET.

Cycling has  
experienced a  
renaissance in  
the United  
States, as  
cities around  
the country  
promote the  
bicycle as an  
alternative  
means of

# Nighthawk

# Where To Download 1983

transportation.

In the process,  
debates about  
the nature of

bicycles—where

they belong, how  
they should be  
ridden, how

cities should or

should not  
accommodate

them—have played

out in the

media, on city

# Nighthawk

# Where To Download 1983

streets, and in  
city halls. Very  
few people  
recognize,

however, that  
these questions  
are more than a  
century old. The

Cycling City is  
a sharp history  
of the bicycle's  
rise and fall in  
the late  
nineteenth

# Nighthawk

# Where To Download 1983

century. In the  
1890s, American  
cities were home  
to more

cyclists, more  
cycling  
infrastructure,  
more bicycle

friendly  
legislation, and  
a richer cycling  
culture than

anywhere else in  
the world. Evan

# Nighthawk

# Where To Download 1983

Friss unearths  
the hidden  
history of the  
cycling city,  
demonstrating  
that diverse  
groups of  
cyclists managed  
to remap cities  
with new roads,  
paths, and laws,  
challenge social  
conventions, and  
even dream up a

# Nighthawk

# Where To Download 1983

new urban ideal  
inspired by the  
bicycle. When  
cities were

chaotic and  
filthy, bicycle  
advocates  
imagined an

improved  
landscape in  
which pollution  
was negligible,

transportation  
was silent and

# Nighthawk

# Where To Download 1983

rapid, leisure  
spaces were  
democratic, and  
the divisions  
between city and  
country were  
blurred. Friss  
argues that when  
the utopian  
vision of a  
cycling city  
faded by the  
turn of the  
century, its

# Nighthawk

# Where To Download 1983

death paved the  
way for today's  
car-centric  
cities—and ended  
the prospect of  
a true American  
cycling city  
ever being  
built.
