Covers principles of operation, troubleshooting, maintenance and repair of the modern braking system. Information on tool selection and usage is included, plus a chapter on brake system modifications and high-performance brake parts.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

This book offers a comprehensive look at an industry that plays a growing role in motor vehicle production in the United States.

REALIDADES is a standards-based Spanish curriculum that balances grammar and communication. The program offers technology designed to integrate language and culture to teach and motivate all students.

The Global Innovation Index 2020 provides detailed metrics about the innovation performance of 131 countries and economies around the world. Its 80 indicators explore a broad vision of innovation, including political environment, education, infrastructure and business sophistication. The 2020 edition sheds light on the state of innovation financing by investigating the evolution of financing mechanisms for entrepreneurs and other innovators, and by pointing to progress and remaining challenges - including in the context of the economic slowdown induced by the coronavirus disease (COVID-19) crisis.

Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information.

Put the power of wondrous concoctions and daring alchemical innovations to work for you with dozens of new types of alchemical gear, weapons, poisons, and more in this comprehensive guide to adventuring gear inspired by the alchemical arts. Learn the secrets of the alchemists of Thuvia, the poison masters of Daggermark, daring Darklands apothecaries, and more. You don't have to be a wizard to sling fire or a cleric to heal the sick. Put the secrets of science to work for you with the Alchemy Manual!
