Reading Street - Elementary Reading Comprehension Program Scott Foresman Reading Street (c) 2008 is an all-new reading instruction program for Grades PreK-6. Reading Street is designed to help teachers build readers through motivating and engaging literature, scientifically research-based instruction, and a wealth of reliable teaching tools. The reading program takes the guesswork out of differentiating instruction with a strong emphasis on ongoing progress-monitoring and an explicit plan to help with managing small groups of students. In addition, Reading Street prioritizes skill instruction at each grade level, so teachers can be assured they will focus on the right reading skill, at the right time, and for every student.

A Teacher's Guide to Using the Common Core State Standards in Mathematics provides teachers and administrators with practical examples of ways to build a comprehensive, coherent, and continuous set of learning experiences for gifted and advanced students. It describes informal, traditional, off-level, and 21st century math assessments that are useful in making educational decisions about placement and programming. Featuring learning experiences for each grade within one math progression, the book offers insight into useful ways of both accelerating and enriching the CCSS mathematics standards. Each of the learning experiences includes a sequence of activities, implementation examples, and formative assessments. Specific instructional and management strategies for implementing the standards within the classroom, school, and school district will be helpful for both K-12 teachers and administrators.

Celebrate the 25th anniversary of this Newbery and Coretta Scott King Honoree about a hilarious family on a road-trip at one of the most important times in America's history. This special edition makes a perfect gift and includes bonus content! Enter the hilarious world of ten-year-old Kenny and his family, the Weird Watsons of Flint, Michigan. There's Momma, Dad, little sister Joetta, and brother Byron, who's thirteen and an "official juvenile delinquent." When Byron gets to be too much trouble, they head South to Birmingham to visit Grandma, the one person who can shape him up. And they'll be in Birmingham during one of the darkest moments in America's history. "Every so often a book becomes a modern classic almost as soon as it arrives on bookshelves. That happened in the mid-'90s when Christopher Paul Curtis released his first book, *The Watsons Go to Birmingham—1963.*" --NPR "One of the best novels EVER." --Jacqueline Woodson, Newbery Honor and National Book Award-winning author of *Brown Girl Dreaming*

Curriculum Leadership: Strategies for Development and Implementation helps current and aspiring administrators, teachers, and curriculum directors successfully restructure, enhance, and implement school K|12 curriculum. This foundational book highlights 21st century educational ideas and advocacy, while also remaining focused on tried and true strategies for meeting state and national standards in today's diverse classrooms. Featuring an array of new scholars, researchers, and case studies, the Fifth Edition: centers on the importance of teachers and teacher-leaders in the area of curriculum development; promotes the crucial role of special education and its contribution to the overall curriculum development process; and includes a renewed emphasis on concurrent learning and creating stimulating online discussions. With the support of this thought-provoking and extensively researched text, readers will develop a working and thorough foundation of curriculum to effectively implement in the classrooms of the future.
