Dale Earnhardt Jr.'s only authorized book revealing the inside track on his final year of racing and retirement from the driver's seat. "Time was running out on my charade" My secrets were about to be exposed to the world." It was a seemingly minor crash at Michigan International Speedway in June 2016 that ended the day early for Dale Earnhardt Jr. What he didn't know was that it would also end his driving for the year. He'd dealt with concussions before, but concussions are like snowflakes, no two are the same. And recovery can be brutal, and lengthy. When NASCAR star Dale Earnhardt Jr. retired from professional stock car racing in 2017, he walked away from his career as a healthy man. But for years, he had worried that the worsening effects of multiple racing-related concussions would end not only his time on the track but his ability to live a full and happy life. Torn between a race-at-all-costs culture and the fear that something was terribly wrong, Earnhardt tried to pretend that everything was fine, but the private notes about his escalating symptoms that he kept on his phone reveal a vicious cycle: suffering injuries on Sunday, struggling through the week, then recovering in time to race again the following weekend. For the first time, he shares these notes and fully reveals the physical and emotional struggles he faced as he fought to close out his career on his own terms. In this candid reflection, Earnhardt opens up about his frustration with the slow recovery, his admiration for the woman who stood by him through it all, and his determination to share his own experience so that others don't have to suffer in silence. Steering his way to the final checkered flag of his storied career proved to be the most challenging race and most rewarding finish of his life.

Earnhardt recounts his rookie season and shares memories of his father in an engaging book that is sure to appeal to the millions of NASCAR (stock-car racing) fans worldwide.

It was among the most remarkable and successful rebuilding projects in NASCAR history — turning the most popular driver whose confidence bottomed out amid questionable work habits into an assured and diligent championship contender. In *Leading the Way*, Steve Letarte takes readers into the closed-door meetings, the heartfelt conversations in the No. 88 hauler and the after-hours bonding sessions that created the faith and trust necessary to make Dale Earnhardt Jr. a winner again. Through vivid depictions of some painful mistakes and critical decisions, Letarte details the overlooked strategies and structure that he successfully applied to a slumping race team the same way that a CEO would implement in a struggling company. Here are the never-before-revealed fierce arguments, lighthearted moments and unbridled joy shared with Earnhardt in a four-year, cross-country odyssey from the highs of a magical 2014 Daytona 500 win to the lows of a career-threatening concussion. "Steve possesses all the qualities of a successful leader, with a unique ability to rally his team into believing in their own success. This book is a special look at his life both personally and professionally that I think will enlighten and educate." — Dale Earnhardt Jr. "I never dreamed of being an author, but those years with Dale were so special. I wanted everyone to hear these stories to appreciate the important values of leadership and friendship and the successes that are measured beyond trophies and championships." — Steve Letarte

NASCAR legend Dale Earnhardt Jr. teaches children to face their fears as they follow Buster—a rescued race car who navigates new challenges and learns to never give up! Sometimes kids need a little inspiration to make it to the finish line! In *Buster's Trip to Victory Lane*, Dale Earnhardt Jr.'s flair for originality, humor, and fun shines through as Buster the race car teaches kids to face their fears. When Coach Chomp rescues Buster from a failed racing team, Buster has to figure out how to race with new teammates, learn to keep going even after he makes mistakes, and try with all his might to make it to the finish line before all the other cars! Roaring with bright and energetic illustrations, this race car storybook is ideal for car-crazy kids ages 4 to 8, Dale Earnhardt Jr. fans, and followers of NASCAR and motorsports teaches kids perseverance whether they are starting something new, are struggling to learn a difficult skill, or need motivation to keep trying when life is tough is a great read-aloud for story time at home, libraries, and schools has a brightly foiled jacket and full-color pictures is a perfect choice for birthday parties, for car rides and road trips, as a Christmas stocking stuffer, or as a central feature in a gift basket This laugh-out-

loud jacketed picture book brimming with adventure, encouragement, and humor will fill your child's emotional tank with the fuel they need to overcome any obstacle on the track and finish that final lap!

Rev your engines and get ready for this exciting look at how Dale Earnhardt Jr. lived up to his family legacy and became one of the greatest professional stock car racing drivers in the world. No one was surprised when Dale Earnhardt Jr. began his racing career at age seventeen. His father and grandfather were professional racers, and he spent most of his childhood servicing cars at his dad's dealership. Now Dale was ready for his own turn in the driver's seat. He started out racing in the Street Stock division but would go on to win several NASCAR championships before retiring from driving fulltime in 2017. Dale Earnhardt Jr.'s passion and dedication to the sport he loves is why he is considered the most popular professional driver in the world.

At their basic level, sporting events are about numbers: wins and losses, percentages and points, shots and saves, clocks and countdowns. However, sports narratives quickly leave the realm of statistics. The stories we tell and retell, sometimes for decades, make sports dramatic and compelling. Just like any great drama, sports imply conflict, not just battles on the field of play, but clashes of personalities, goals, and strategies. In telling these stories, we create heroes, but we also create villains. This book is about the latter, those players who transgress norms and expectations and who we label the "bad boys" of sports. Using a variety of approaches, these 13 new essays examine the cultural, social, and rhetorical implications of sports villainy. Each chapter focuses on a different athlete and sport, questioning issues such as how notorious sports figures are defined to be "bad" within particular sports and within the larger culture, the role media play in creating antiheroes, fan reactions when players cross boundaries, and how those boundaries shift depending on the athlete's gender, sexuality, and race.

A biography of the NASCAR driver who is the son of another winning racecar driver, Dale Earnhardt, Sr.

The 150th Anniversary special edition of the best-selling reference book of all time! The ebook format allows curious readers to keep millions of searchable facts at their fingertips. He was The Intimidator. A nightmare in the rear-view mirror. A unique winner in the boardroom. A seven-time Winston Cup champion. A driver whose personal success story and dedication inspired the adoration of millions of fans. Then on February 18, 2001, just seconds from the Daytona 500 finish line, the world of stock-car racing suffered a devastating loss as Dale Earnhardt fatally careened into a track wall. The tragic shock waves, and an unprecedented outpouring of respect and love, have not stopped since. At the Altar of Speed takes readers behind the scenes of Earnhardt's celebrated life, tracing his rags-to-riches journey to the top of America's fastest-growing sport. Beginning with Earnhardt's early days growing up in small-town North Carolina, veteran sports writer Leigh Montville examines how a ninth-grade dropout started on the dusty dirt tracks of the South, went through two marriages and a string of no-future jobs before turning twenty-five, then took about a million left turns to glory. Through the pitfalls and triumphs, Earnhardt would ultimately become a celebrated champion, whose lifetime earnings would top forty-one million dollars. The son of a legendary racer, the father of a NASCAR star, he lived a total auto-racing life filled with triumph and sadness, great joy and great pain. Transporting readers to the colorful, noisy world of stock-car racing, where powerful engines allow drivers to reach speeds of 200 m.p.h., At the Altar of Speed vividly captures the man who drove the black No. 3 car, a man whose determination and inner strength left behind a legacy of greatness that has redefined his sport. Illustrated with a section of full-color photographs, At the Altar of Speed is a tribute to both the man and his unbeatable spirit.

An inspirational, practical guide to success in business and life learned through the opportunities and challenges of growing up as the daughter of NASCAR legend Dale Earnhardt Sr. and becoming one of the most influential women in professional sports. A successful businesswoman shares her story of growing up in the world of NASCAR and the lessons she learned along the way. Just like a racecar as it takes to the track, each of us needs a certain amount of fine-tuning for our journey through life. In Drive, Kelley Earnhardt Miller, daughter of Dale Earnhardt Sr. and sister to Dale Jr., opens up about growing up in the world of NASCAR, sharing the lessons she learned about being a successful business leader and what she discovered, often the hard way, about winning in life. Kelley never felt she was winning at anything until she began to deal with the thoughts and feelings that were driving her decisions and taking her in the wrong direction. Her journey of transformation is what empowered her to run the family business in an entirely different way than she had previously and to lead people not only with her head but also with her heart. Drive offers nine important lessons learned about winning in business and in life, given not as a formula for greatness but as insight from a fellow traveler on a journey that is sometimes difficult, painful, unexpected, or confusing and sometimes exhilarating and joyful: Be Authentic and Approachable Manage Your Emotions Succeed Using Strengths Let Go to Move Forward Customize Your Communication Know How to Make Decisions Aim for the Win-Win Show Kindness Live a Balanced Life Become a

stronger person and a more effective leader by facing the truth about your own life in a healthy way and then drive to the win!
