Connect to the Manifest Promises of God There comes a point in our spiritual journey when we must no longer sit and wait. Instead, we need to stand up and walk boldly in God's purposes for us. We have to progress toward the blessings and provision He has shown us in the glory realms. There isn't a single area of your life for which God does not have a promise of victory. He has proclaimed breakthroughs, blessings, and, yes, miracles. In this study guide companion to 7 Divine Mysteries: Supernatural Secrets to Unlimited Abundance by Joshua Mills, you will find out how to connect to the manifest promises of God as you stretch your faith, work the Word, and allow the Spirit to lead you into overflowing abundance for spirit, soul, and body. In these days, God is opening untapped abundance for restoration, healing, deliverance, relationships, finances, creative ideas, and more. Many people have been waiting for God to move in their lives, but He is waiting for us to move in faith toward His promises. We must activate what He has spoken to us about—or risk losing the opportunity. God is looking for men and women who will rise up and choose to receive every promise He has given. The 7 Divine Mysteries Study Guide, which can be used by either individuals or groups, contains some brand-new material to further your understanding of supernatural abundance. The guide is also filled with key points from the book, thought questions, review questions, and supernatural activations. Joshua Mills and his wife, Janet, have proven these seven scriptural principles in their own lives. As God's children, we can confidently ask Him for miracles and provision in areas where we have experienced difficulty or lack in the past. We just need to give Him permission to upset the daily routine of our lives and let His glory flow from heaven to earth. Then, we need to take hold of our portion as it comes down from the throne.

Transform Your Soul: Reflections of a Nurse on Compassion, Healing, and Divine Power offers reflections for anyone who wants to minister to the sick and needy. Writing from a deep longing to honor nurses, Irene Fulmer, a practicing nurse herself, has collected her reflections on nursing into a single volume to inspire others by the richness of this sacred calling of nursing and the transformational power it holds. Nurses are the hands that touch and the voices that bring the message of caring to the sick and dying. They are the key to every kind of healing, for compassion is the true healer within each of us. The daily labors of love, patience, and hard work have offered precious seeds for healing to the sick. In these essays, Fulmer addresses the need to recover the soul of nursing and to reclaim and reintegrate the tenets of Florence Nightingale timeless and noble ideals acknowledging that nursing is a calling and a spiritual practice. Fulmer suggests that this is the right direction for nursing to take in order to move forward. She also considers the idea that nursing is a reflection of the divine; its calling brings caring and compassion to the sick. Today, Nursing and America are at a crossroads. It must now clarify its destiny and redefine itself or be in danger of losing its soul, its meaning, and its relevance in today's world. There is hope for the future of Nursing and America. As its' soul becomes transformed, all society will experience healing and rebirth. <http://www.transformyoursoul.org/> "

A Blueprint for Revival! Many believers today yearn for an encounter with the supernatural. They hunger to experience the glory of God they've only read about in the Bible. Joshua Mills believes that all Christians are intended to live, move, and operate within what he calls "glory realms." Now Joshua opens up God's glory by explaining the different realms, spheres, and dimensions of the kingdom. He systematically builds a faith framework in which the reader can begin to move into the glory of God with ease. Joshua breaks down our understanding of God's glory into three parts: first, moving in the Spirit, which is about understanding the different dynamics of faith, anointing, and God's glory; second, moving in the supernatural by recalibrating ourselves to heaven's frequency, working with angels, and accessing the highest power of God's glory so that the miraculous dimension begins to manifest; and third, moving in the heavenlies, dealing with spiritual travel and prophetic encounters, manifesting divine abundance, and living in heavenly revelation. Throughout, Joshua shares many unusual and extraordinary testimonies of God's glory working through uncommon signs and wonders, heavenly experiences, angelic appearances, and other manifestations of the miraculous, Through his dynamic teaching and powerful testimonies, Joshua will not only help you understand God's glory, he'll also guide you into experiencing and walking in the glory every day.

"Joshua's Way" offers ten principles that allowed a small, insignificant Israeli army to become the major force in their time. Each principle is vital for success in living the Christian life.

God has dreams and visions reserved in heaven... waiting for you! Too many people are stuck in the rut of the average, ordinary, and mundane. Why? They think what their natural eyes see is all there is to this life. There is more! What the eyes can see reflects only a portion of who you really are. Your body houses your spirit, and that spirit is the part of you that supernaturally interacts with God. Adam F. Thompson shares both his incredible personal encounters and Biblical insight showing you how to live from this supernatural place—specifically by communicating with God through dreams and visions. In these pages, you will learn how to: Position yourself to receive visions and dreams from heaven Build your faith by using your imagination Boldly decree God's promises over people's lives Now is the time for your dreams and visions to come alive, and advance God's Kingdom on the Earth!
