40 Days of Decrease is a unique and original approach to the traditional preparation for the climax of Easter. The daily Reflection and Today's Fast components are gems, and the 40 distinct fasts she proposes offer a transformational praxis that redefines the meaning of hunger. Dr. Kenneth Boa, author, speaker, scholar

40 Days of Decrease is a beautiful book, taking the reader on a journey of self-inspection and reflection as they follow Jesus' path to the cross. Each day's entry is short and easy to follow, including thoughts from the author, quotes, scriptures and more. I was left feeling inspired, challenged and changed after completing it.

*40 Days Of Decrease - St Andrews Bookshop*

For me, what stood out about 40 Days of Decrease was how Jesus pursued relationships with the disciples up until the last moments he was with them. He modeled for them how to care for each other and when he was gone they instinctively gathered back together to support each other.

begin to whirl: Chocolate? Designer coffee? Social media? Forty days later, some feel disappointed in their efforts (it was a limited-time blend . . . ), some feel surprised by their success (didn't even miss it . . . ), but perhaps precious few feel spiritually renewed. Can such fasts alone truly prepare us to celebrate Easter? Or any other chosen time of reflection during the year? Or could it be that before we can be duly awed by resurrection, we need to daily honor crucifixion? 40 Days of Decrease emphasizes a different type of fast. What if you or your church fasted comparison? What if your family fasted accumulation? What if your office fasted gossip? 40 Days of Decrease guides readers through a study of Jesus' uncommon and uncomfortable call to abandon the world's illusions, embrace His kingdom's reality, and journey cross-ward and beyond. Each daily, 1000-word entry will include a devotional based on Jesus' cross-ward life; a reflection question to guide journaling or group discussion; a fast to inspire a tangible response; a thought-provoking Lenten quote; a sidebar into the historical development of Lent.

If yesterday's word was "simple," tomorrow's word will be "slow." Our culture is shifting from fast food to health food both physically and spiritually. Self-care, soul-care, life coaches, and spiritual retreats all show our dissatisfaction in quick fixes and fast faith. The Sacred Slow is an invitation to unhurried honesty before God. Formatted as 52 experiences, The Sacred Slow reminds readers on every page that God never wanted to use them: He always wanted to love them. Experienced devotionally or in small groups, each chapter features a short but unexpected reading and two options for application: a thought focus or a heart exercise. The content is the overflow of Dr. Alicia Britt Chole's thirty+ years as a spiritual mentor to leaders and learners. The tone is personal, practical, and penetrating. The fruit is sustainable (as

# Get Free 40 Days Of Decrease A Different Kind Of Hunger A Different Kind Of Fast

opposed to event-based) intimacy with God.

We all experience times of hiddenness, when our potential is unseen and our abilities unapplauded. This book redeems those times by reminding us that though we often want to rush through these anonymous seasons of the soul, they hold enormous power to cultivate character traits that cannot be developed any other way!

These refreshing meditations challenge women to grow in their spiritual lives and draw closer to God in the midst of untidy real life.

"Presents the author's personal journey from atheism to Christianity. Examines the mysteries of life and faith, including how different religious belief systems influence a person. Intended for atheists, agnostics, and theists"--Provided by publisher.

Wrap your arms around the "Good News" for Lent.

Collects more than eighty devotional stories from the author's own life as well as the lives of other people who have experienced joy in the face of such events as a child's birth, the dawn of a new day, or a prayer session, in a gift book complemented by Scripture passages and prayer suggestions.

Sometimes a pause is good for the soul. It gives us the chance to regroup, reflect, and refocus on God. In *Pauses for Lent*, Trevor Hudson offers a beautifully minimalist book in which he focuses on one word for each day of Lent. You are

## Get Free 40 Days Of Decrease A Different Kind Of Hunger A Different Kind Of Fast

invited to pause, focus on the word, read a scripture and a brief meditation related to the word, and then offer a prayer. Pausing in this way will help you carve out time for God and refresh your spirit even in the midst of a busy life. You may find yourself sensing God's presence in a new way and discovering that God wants to meet you in the midst of your life as it is, muddles and all.
