The History of English provides an accessible introduction to the changes that English has undergone from its Indo-European beginnings to the present day. The text looks at the major periods in the history of English, and provides for each a socio-historical context, an overview of the relevant major linguistic changes, and also focuses on an area of current research interest, either in sociolinguistics or in literary studies. Exercises and activities that allow the reader to get 'hands-on' with different stages of the language, as well as with the concepts of language change, are also included. By explaining language change with close reference to literary and other textual examples and emphasising the integral link between a language and its society, this text is especially useful for students of literature as well as linguistics.

The only series for MYP 4 and 5 developed in cooperation with the International Baccalaureate (IB) Develop your skills to become an inquiring learner; ensure you navigate the MYP framework with confidence using a concept-driven and assessment-focused approach presented in global contexts. - Develop conceptual understanding with key MYP concepts and related concepts at the heart of each chapter. - Learn by asking questions with a statement of inquiry in each chapter. - Prepare for every aspect of assessment using support and tasks designed by experienced educators. - Understand how to extend your learning through research projects and interdisciplinary opportunities. This title is also available in two digital formats via Dynamic Learning. Find out more by clicking on the links at the top of the page.
