There is a range of exciting and thought-provoking books to suit all abilities, including easy readers and more difficult texts. Authors include Liz Kessler, William Golding, Rick Yancey, and Marjorie ...

In order to earn money for college, fourteen-year-old LaVaughn babysits for a teenage mother.

From the bestselling, award-winning author of The Buddha in the Attic, this commanding debut novel paints a portrait of the Japanese incarceration camps that is both a haunting evocation of a family in wartime and a resonant lesson for our times. On a sunny day in Berkeley, California, in 1942, a woman sees a sign in a post office window, returns to her home, and matter-of-factly begins to pack her family's possessions. Like thousands of other Japanese Americans they have been reclassified, virtually overnight, as enemy aliens and are about to be uprooted from their home and sent to a dusty incarceration camp in the Utah desert. In this lean and devastatingly evocative first novel, Julie Otsuka tells their story from five flawlessly realized points of view and conveys the exact emotional texture of their experience: the thin-walled barracks and barbed-wire fences, the omnipresent fear and loneliness, the unheralded feats of heroism. When the Emperor Was Divine is a work of enormous power that makes a shameful episode of our history as immediate as today's headlines. Don't miss Julie Otsuka's new novel, The Swimmers, coming in February 2022!

One of America's most influential Hispanics -- 'Maria' on Sesame Street -- presents a powerful novel set in New York's El Barrio in 1969 There are two secrets Evelyn Serrano is keeping from her Mami and Papo? her true feelings about growing up in her Spanish Harlem neighborhood, and her attitude about Abuela, her sassy grandmother who's come from Puerto Rico to live with them. Then, like an urgent ticking clock, events erupt that change everything. The Young Lords, a Puerto Rican activist group, dump garbage in the street and set it on fire, igniting a powerful protest. When Abuela steps in to take charge, Evelyn is thrust into the action. Tempers flare, loyalties are tested. Through it all, Evelyn learns important truths about her Latino heritage and the history makers who shaped a nation. Infused with actual news accounts from the time period, Sonia Manzano has crafted a gripping work of fiction based on her own life growing up during a fiery, unforgettable time in America, when young Latinos took control of their destinies.

From "one of the nation's foremost Chicano literary artists" comes a coming-of-age classic and the bestselling Chicano novel of all time that follows a young boy as he questions his faith and beliefs -- now one of PBS's "100 Great American Reads" (Denver Post). Antonio Marez is six years old when Ultima comes to stay with his family in New Mexico. She is a curandera, one who cures with herbs and magic. Under her wise wing, Tony will probe the family ties that bind and rend him, and he will discover himself in the magical secrets of the pagan past--a mythic legacy as palpable as the Catholicism of Latin America. And at each life turn there is Ultima, who delivered Tony into the world... and will nurture the birth of his soul.

Now a Netflix film starring and directed by Chiwetel Ejiofor, this is a gripping memoir of survival and perseverance about the heroic young inventor who brought electricity to his Malawian village. When a terrible drought struck William Kamkwamba's tiny village in Malawi, his family lost all of the season's crops, leaving them with nothing to eat and nothing to sell. William began to explore science books in his village library, looking for a solution. There, he came up with the idea that would change his family's life forever: he could build a windmill. Made out of scrap metal and old bicycle parts, William's windmill brought electricity to his home and helped his family pump the water they needed to farm the land. Retold for a younger audience, this exciting memoir shows how, even in a desperate situation, one boy's brilliant idea can light up the world. Complete with photographs, illustrations, and an epilogue that will bring readers up to date on William's story, this is the perfect edition to read and share with the whole family.

Through journal entries, sixteen-year-old Miranda describes her family's struggle to survive after a meteor hits the moon, causing worldwide tsunamis, earthquakes, and volcanic eruptions.

A new selection for the NEA's Big Read program A compact selection of Poe's greatest stories and poems, chosen by the National Endowment for the Arts for their Big Read program. This selection of eleven stories and seven poems contains such famously chilling masterpieces of the storyteller's art as "The Tell-tale Heart," "The Fall of the House of Usher," "The Cask of Amontillado," and "The Pit and the Pendulum," and such unforgettable poems as "The Raven," "The Bells," and "Annabel Lee." Poe is widely credited with pioneering the detective story, represented here by "The Purloined Letter," "The Mystery of Marie Roget," and "The Murders in the Rue Morgue." Also included is his essay "The Philosophy of Composition," in which he lays out his theory of how good writers write, describing how he constructed "The Raven" as an example.

WINNER OF THE NATIONAL BOOK AWARD 2011

Hurt people hurt people. Say there was a novel in which Holden Caulfield was an alcoholic and Lolita was a photographer's assistant and, somehow, they met in Bright Lights, Big City. He's blinded by love. She by ambition. Diary of an Oxygen Thief is an honest, hilarious, and heartrending novel, but above all, a very realistic account of what we do to each other and what we allow to have done to us.

The Cajun coast of Louisiana is home to a way of life as unique, complex, and beautiful as the terrain itself. As award-winning travel writer Mike Tidwell journeys through the bayou, he introduces us to the food and the language, the shrimp fisherman, the Houma Indians, and the rich cultural history that makes it unlike any other place in the world. But seeing the skeletons of oak trees killed by the salinity of the groundwater, and whole cemeteries sinking into swampland and out of sight, Tidwell also explains why each introduction may be a farewell:as the storied Louisiana coast steadily erodes into the Gulf of Mexico. Part travelogue, part environmental exposé, Bayou Farewell is the richly evocative chronicle of the author's travels through a world that is vanishing before our eyes.
