Below is a selection of some exceptional Reuters pictures taken in 2020 along with the stories behind the shots, directly from the photographers who took them. Part 1: reut.rs/35Kjt0C.

A PICTURE AND ITS STORY: Pictures of the Year | Reuters

Children are fascinated by colorful or interesting pictures. Nothing quite gets their brains going like a picture book or similar. A story with pictures is vastly important because it acts as an easy way to get your child into reading. A page of text might not seem exciting, but a page with words and fun images makes a kid want to know more.

Story & Pictures Media (Korean: 스토리피ictures; RR: Geul-aen-geurim Midieo) is a South Korean TV series production company, founded in 2017 by former AStory producer Hwang Jee-woo. As of 2020, it is a subsidiary of Kakao M under its Video Content Company division.

Story & Pictures Media - Wikipedia

For many writers, the short story is the perfect medium. It is a refreshing activity. For many, it is as natural as breathing is to lungs. While writing a novel can be a Herculean task, just about anybody can craft—and, most importantly, finish—a short story. Writing a novel can be a tiresome task, but writing a short story, it's not the same.

"In this book with no pictures, the reader has to say every silly word, no matter what"--

One of the greatest sports figures of all time at last breaks his silence in a memoir

as unique as the man himself. Number 4. It is just about the most common number in hockey, but invoke that number and you can only be talking about one player -- the man often referred to as the greatest ever to play the game: Bobby Orr. From 1966 through the mid-70s he could change a game just by stepping on the ice. Orr could do things that others simply couldn't, and while teammates and opponents alike scrambled to keep up, at times they could do little more than stop and watch. Many of his records still stand today and he remains the gold standard by which all other players are judged. Mention his name to any hockey fan - or to anyone in New England - and a look of awe will appear. But skill on the ice is only a part of his story. All of the trophies, records, and press clippings leave unsaid as much about the man as they reveal. They tell us what Orr did, but don't tell us what inspired him, who taught him, or what he learned along the way. They don't tell what it was like for a shy small-town kid to become one of the most celebrated athletes in the history of the game, all the while in the full glare of the media. They don't tell us what it was like when the agent he regarded as his brother betrayed him and left him in financial ruin, at the same time his battered knee left him unable to play the game he himself had redefined only a few seasons earlier. They don't tell about the players and people he learned to most admire along the way. They don't tell what he thinks of the game of hockey today. Orr himself has never put all this into words, until now. After decades of refusing to speak of his past in articles or "authorized" biographies, he finally tells his story, because he has something to share: "I am a parent and a grandparent and I believe that I have lessons worth passing along." In the end, this is not just a book about hockey. The most meaningful biographies and memoirs rise above the careers out of which they grew. Bobby Orr's life goes far deeper than Stanley Cup rings, trophies and recognitions. His story is not only about the game, but also the age in which it was played. It's the story of a small-town kid who came to define its highs and lows, and inevitably it is a story of the lessons he learned along the way.

Recounts without words the adventures of a boy and his winged horse.

Master the Art of Writing Enthralling Tales for the Youngest pre-and emerging readers! Fully updated and thoroughly revised, *Writing Picture Books Revised and Expanded Edition* is the go-to resource for writers crafting stories for children ages two to eight. You'll learn the unique set of skills it takes to bring your story to life by using tightly focused text and leaving room for the illustrator to be creative. Award-winning author Ann Whitford Paul helps you develop the skills you need by walking you through techniques and exercises specifically for picture book writers. You'll find:

- Instruction on generating ideas, creating characters, point-of-view, beginnings and endings, plotting, word count, rhyme, and more
- Unique methods for using poetic techniques to enrich your writing
- Hands-on revision exercises (get out your scissors, tape, and highlighters) to help identify problems and improve your picture book manuscripts
- Updated tips for researching the changing picture book market, approaching publishers, working with an agent, and developing a platform
- All new quizzes and examples from picture books throughout
- New chapters cover issues such as page turns, agents, and self-publishing

Whether you're just starting out as a picture book writer or have tried unsuccessfully to get your work published, *Writing Picture Books Revised and Expanded Edition* is just what you need to craft picture books that will appeal to young children and parents, and agents and editors.

Online Library A Story With Pictures

The story is about a boy named Lwando and his cute sister Oyiso, who sometimes becomes angry and furious when something upsets her. But fortunately for Oyiso, her brother understands her well and always tries to quell her anger. But despite that, there may be days when he can't console his sister, and may even react with anger too!! Can Lwando learn where the mistake is? The benefits of the story is that it emphasizes the good treatment of the older brother with his younger siblings, feeling responsible towards them, and be a model for them. With the absence of the parents sometimes, the young child will find only one of his older brothers or sisters to console him, take care of him, and protect him. So, we advise the parents to give this story its due, and not to make it just papers with attractive drawings and bright colors. Our goal is to teach children virtuous morals and warn them against every reprehensible behavior, so let us strive to achieve this goal. The book consists of a colorful drawings expressing the cases of Lwando, Oyisa, and other people during some days of the week, with clear and short sentences, to make it easier for the child to read and understand its meaning.

Indestructibles are the books built for the way babies read. They are 100 percent baby-proof, chew-proof, rip-proof, and drool-proof. Printed on a unique nontoxic, paperlike material that holds up to anything babies can throw at it—gumming, spilling, dragging across the floor— Indestructibles are the little books that could. They're indestructible. And if they get dirty, just throw them in the washing machine or dishwasher. Baby Faces features baby's favorite thing: pictures of other babies. It's a book for parents and children to share together the many moods of a baby.

Whatever may be thought of the somewhat aristocratic pretensions of the lion, as the dog, after all, has the reputation of being the most intelligent of the inferior animals, I will allow this interesting family the precedence in these stories, and introduce them first to the reader. For the same reason, too—because they exhibit such wonderful marks of intelligence, approaching, sometimes, almost to the boundary of human reason—I shall occupy much more time in relating stories about them than about any other animal. Let me see. Where shall I begin? With Rover, my old friend Rover—my companion and play-fellow, when a little boy? I have a good mind to do so; for he endeared himself to me by thousands of acts of kindness and affection, and he has still a place of honor in my memory. He frequently went to school with me. As soon as he saw me get my satchel of books, he was at my side, and off he ran before me toward the school-house. When he had conducted me to school, he usually took leave of me, and returned home. But he came back again, before school was out, so as to be my companion homeward. I might tell a great many stories about the smartness of Rover; but on the whole I think I will forbear. I am afraid if I should talk half an hour about him, some of you would accuse me of too much partiality for my favorite, and would think I had fallen into the same foolish mistake that is sometimes noticed in over-fond fathers and mothers, who talk about a little boy or girl of theirs, as if there never was another such a prodigy. So I will just pass over Rover's wonderful exploits—for he had some, let me whisper it in your ear—and tell my stories about other people's dogs.

Meet Chloe: Every week, she collects loose change so she can buy tickets to ride

Online Library A Story With Pictures

the merry-go-round. But one fateful day, she gets lost in the woods on her way home, and a large dragon leaps out from-"Wait! It's supposed to be a lion," says Mac Barnett, the author of this book. But Adam Rex, the illustrator, thinks a dragon would be so much cooler (don't you agree?). Mac's power of the pen is at odds with Adam's brush, and Chloe's story hangs in the balance. Can she help them out of this quandary to be the heroine of her own story? Mac Barnett and Adam Rex are a dynamic duo, and two of the strongest contemporary voices in picture books today. In an accessible and funny way, Chloe and the Lion talks about the creative process and the joys and trials of collaboration.

NSTA Best STEM Books for K-12 Selection NSTA Outstanding Science Trade Books Selection Dolly Gray Children's Literature Award Recipient A Mighty Girl Book of the Year If you've ever felt different, if you've ever been low, if you don't quite fit in, there's a name you should know... Meet Dr. Temple Grandin--one of the world's quirkiest science heroes! When young Temple was diagnosed with autism, no one expected her to talk, let alone become one of the most powerful voices in modern science. Yet, the determined visual thinker did just that. Her unique mind allowed her to connect with animals in a special way, helping her invent groundbreaking improvements for farms around the globe. In hardcover, *The Girl Who Thought in Pictures: The Story of Dr. Temple Grandin* was the first book in the educational *Amazing Scientists* series about the inspirational lives of amazing scientists. In addition to the illustrated rhyming tale, you'll find a complete biography, fun facts, a colorful timeline of events, and even a note from Temple herself!
