How to Make Love Like a Porn Star, the mega-bestselling memoir, triumphant survival story, and cautionary tale that spent over six weeks on the New York Times bestseller list and rocketed adult film icon Jenna Jameson into the mainstream spotlight, is now in paperback and ebook for the very first time. Her unforgettable memoir, written with master storyteller Neil Strauss, is many things at once: a shocking sexual history; an insider's guide to the secret workings of the billion-dollar adult-film industry; and a gripping thriller that probes deep into Jameson's dark past. With never-before-seen photographs from Jenna's private collection, exclusive photos taken for this book, and original cartoon strips, this memoir is an unparalleled exploration of sexual freedom. In the underbelly of Las Vegas, a cesspool of warring biker gangs and seedy strip clubs, gawky, brace-faced Jenna Massoli was transformed into the bombshell Jenna Jameson. Today, Jenna is the biggest star in the history of adult movies, consistently ranked as one of the most beautiful women alive. But behind the glamour and the meteoric rise to fame was a path paved with tragedy and heartbreak. As a teenager—drawn into a dark and chaotic world where rape, abuse, and murder were commonplace—Jenna began her rapid downward spiral of addiction and degradation . . . while at the same time becoming the porn world's biggest crossover success story.

A memoir from the former porn star and addict Jennie Ketcham, whose stage name was Penny Flame.

In December 2011, 21-year-old Victoria's Secret Runway Angel Kylie Bisutti stunned the fashion industry when she chose faith over fame and fortune and made the switch from supermodel to role model. In I'm No Angel, Kylie shares her story—from her early years as she struggled to make it big in the cutthroat world of modeling, to her “big break” winning the Victoria's Secret Runway Angel competition, to the disillusionment and spiritual warfare that followed. After finally realizing that she could no longer reconcile her career with her Christian beliefs, she surrendered her life to God and dedicated her life to preaching a message of modesty and inner beauty. Along the way, Kylie talks about her personal struggles with inadequacy, low self-esteem, and her near-constant quest for approval in a world where you can never be thin enough, pretty enough, or sexy enough. She helps readers understand that true beauty lies within and that real fulfillment comes from knowing, loving, and serving Christ.

Instant New York Times bestseller "Standing up to bullies is my kind of thing." How did Stormy Daniels become the woman willing to take on a president? In this book, Stormy Daniels tells her whole story for the first time: what it's like to be a leading actress and director in the adult film business, the full truth about her journey from a rough childhood in Louisiana onto the national stage, and everything about her interaction with Donald Trump that led to the nondisclosure agreement and the behind-the-scenes attempts to intimidate her. Stormy is funny, sharp, warm, and impassioned by turns. Her story is a thoroughly American one, of a girl who loved reading and horses and who understood from a very young age what she wanted—and who also knew she'd have to get every step of the way there on her own. People can't stop talking about Stormy Daniels. And they won't be able to stop talking about her fresh, surprising, completely candid, nothing-held-back book.
