Prayer is not easy, yet learning to pray can be learned. The Beautiful Work of Learning to Pray is a brief but probing guide into the life of prayer. James Howell examines the many barriers to prayer (such as our busyness, how uncomfortable with silence we are, our doubts and fears) and invites the reader to take a fresh approach to the devotional life. Each lesson begins with a scripture passage and the author draws comfortably and appropriately from a rich array of other sources (Annie Dillard, St. Augustine, Henri Nouwen, Kathy Mattea, Madeleine L'Engle, Dietrich Bonhoeffer, St. Francis, Oscar Romero, and the movie Good Will Hunting are a sampling.) The author's own engaging writing style, including his ability to illumine his ideas with the shared wisdom of others, is a major strength of this book. While each "lesson" is only two book pages long, the author draws from a deep well of wisdom about prayer. Howell leads the reader through the "subjects" of prayer (e.g. praise, confession, giving thanks), and digs deeply into theological issues such as whether prayer works, prayer and suffering, and forgiveness. According to the author, "In the end, prayer draws us into community with others-- out of our "curved in" lives and into the world in service." The Beautiful Work of Learning to Pray will be helpful to the novice in spiritual life as well as long-time Christians who are striving for a more profound relationship with God. Includes Study Guide, List of Sources, and Scripture Index.

Titley examines two of Austin Farrer's major texts : his 1948 Bampton Lectures, published as The Glass of Vision, and his A Study in St Mark (1951).

A Light in a Burning-Glass introduces readers to the distinctive synthesis of theological reflection and everyday faith that characterizes the life and theology of Austin Farrer (1904-1968), a man widely considered to be the most important Anglican theologian of the twentieth century. Often quoted for isolated insights but rarely appreciated for his depth and coherency, Farrer is a theologian who, according to Robert Boak Slocum, is fascinating to consider but difficult to master. In this survey and explanation of the Anglican leader's prodigious output and complexity of thought, Slocum sorts through Farrer's many writings to articulate his theological vision. Slocum delves into Farrer's treatises, essays, lectures, correspondence, and reviews in an exploration of his three primary areas of theological concern: pastoral, biblical, and philosophical. Noting that few theologians have published so many significant works in such varied areas of theological study, Slocum maps the connectedness of thought that unites Farrer's works. Slocum moves from a basic study of Farrer's background and methodology to a consideration of his major themes: Christian hope, the problem of evil, the role of image and imagination in Christian faith, the use of literary methods in the interpretation of theology, and the interplay of divine action and human freedom in the Christian life.

Susan Howatch's global bestsellers have appeared regularly since the 1970s, but a radical shift in her subject matter in the 1980s and especially the 1990s made reviewers and then academics adjust their glasses and stare hard at her pages. Howatch began to take her loyal following of gothic and family-saga readers into unexpected psychological and theological depths, while taking to an extreme, with a serious-novel format, the experiments begun in her family sagas. She also introduced to her readers a character only half-alive in Trollope, the Anglican Church.

Is Christianity a bland, domesticated religion, unthreatening and easy to grasp? Or is it the most exotic, unexpected, and uncanny of religious paths? For the mystics and saints -- and for Robert Barron who discovered Christianity through them -- it is surely the strangest way. "At its very center, " writes Barron, "is a God who comes after us with a reckless abandon, breaking open his own heart in love in order to include us in the rhythm of his own life." What could be more compelling?

Living by a biblical faith requires of us a yes, a yes to the God continuously present to us within the life opportunities continuously offered us. Questions of 'belief', in contrast, require a yes 'and' no. Genuine faith, declares Brother David Steindl-Rast, holds its beliefs firmly, yes, but ever so lightly. And the I 'don't' mean maybe!? This has to do with the intensity in our questioning. Our ultimate concern, after all, is living a relationship in which we know ourselves not just as those who ask questions but as those who 'are' the question, and seek to know God not just as the one who gives

answers but the one who 'is' the answer. This book consists . . . of a series of questions about basic Christian beliefs, the answers to which have been, and continue to be, controversial. Each chapter will try to make clear why the answer to its particular question has to be a yes 'and' no and how the response can also include, nevertheless, an emphatic And I 'don't' mean maybe! For those with some knowledge of Christianity but finding themselves confused about certain beliefs they have been led to identify as Christian, this book can provide a greater clarity in their understanding of this familiar yet strange religion--thus addressing, perhaps, what pollster George Gallup, Jr., identifies as the knowledge gap in the religious experience of Americans: the often vast difference between Americans' stated faith and their lack of the most basic knowledge about that faith. Non-Christians may find here a useful survey of Christian belief presented in nontechnical style and noncoercive rhetoric.

This book gives you the opportunity to surrender to God's presence and enjoy just being with Him. Find contentment, peace, and encouragement from practicing spiritual disciplines, and learn simple, tangible insights into practicing God's presence in everyday life.

"No writing today can equal [Susan] Howatch's ability to write compelling novels that combine theology and psychology in a complex, fast-moving plot offering beautifully delineated characters and the suspense of a mystery/thriller. . . . The denouement will leave readers breathless."—Publishers Weekly
Nicholas Darrow is a strong-willed and independent-minded man, full of the energy and assurance of his age and his moment in time—he is twenty-five in 1968. A magnet for attention and attraction, Nicholas is already beset by a troubled past, and expert at ignoring the grip it has on his life. But as he follows his father into the Anglican priesthood, his fascination with his own psychic powers results near-tragedy. It will only be by facing the truth about his relationship with his father that Nicholas can find his way out of the seemingly impenetrable darkness that engulfs him. . . . Told with all the drama, intelligence, and emotional depth we have come to expect from Susan Howatch, *Mystical Paths* is a breathtaking novel about the powerful, often painful, but finally indestructible ties between parent and child. And like its four highly praised predecessors in the Church of England series, it is a novel that celebrates the redeeming power of self-knowledge and faith. "Intelligent, compelling, and fascinating."—The Cleveland Plain Dealer

In their groundbreaking book *Spiritual Literacy*, Frederic and Mary Ann Brussat introduced an alphabet of spiritual practices needed to read the meaning of life and to see everyday experiences from a spiritual perspective.
