Depth matters! Can a mere fifteen words turn today 's youth into the innovative, ambitious thinkers we need? Yes, contend Jim Burke and Barry Gilmore, because these are the moves that make the mind work and students must learn if they 're to achieve academically. With Academic Moves, Jim and Barry distill each of these 15 powerhouse processes into a potent concision that nevertheless spans core subject areas: Before, during, and after sections offer essential questions, lesson ideas, and activities. Student samples illustrate what to look for and the process for getting there. Culminating tasks include producing an analytic essay, argument, and more. Reproducible rubrics assist with assessment.

Answer Keys and Tests for Levels 1 and 2 available free online.

"Exciting and engaging vocabulary instruction can set students on the path to a lifelong fascination with words. This book provides a research-based framework and practical strategies for vocabulary development with children from the earliest grades through high school. The authors emphasize instruction that offers rich information about words and their uses and enhances students' language comprehension and production. Teachers are guided in selecting words for instruction; developing student-friendly explanations of new words; creating meaningful learning activities; and getting students involved in thinking about, using, and noticing new words both within and outside the classroom. Many concrete examples, sample classroom dialogues, and exercises for teachers bring the material to life. Helpful appendices include suggestions for trade books that help children enlarge their vocabulary and/or have fun with different aspects of words"--

Active Vocabulary is designed to accompany a reading book at the second tier reading level. Readings cover both general words and academic subjects. 4-color visual design, which links visual clues with words facilitates vocabulary acquisition. Interactive exercises give readers an opportunity to play with words and put them into personal contexts to facilitate learning. Each progressive reading uses previously presented vocabulary words in a new context giving readers numerous contact with new words. Flashcards are located at the end of the book for practice. For anyone interested in developing their vocabulary.

Ranks one thousand English words in order of frequency and provides suggestions for teaching instant words and assessing students' knowledge of them.

Academic Vocabulary is a vocabulary worktext with readings that cover academic subjects. The chapters and exercises are " scaffolded " so that what has been presented in previous chapters is reinforced progressively as the reader moves through the book. There are a number of exercises to stimulate different learning styles as well as to encourage cross-referencing of the words through different contexts. Self tests and games in each chapter round out the exposure for each vocabulary word. Word parts are covered in three chapters. Those interested in developing an academic level vocabulary.

The Academic Word List in Use is ideal for students wishing to go overseas to study and for people who do not have academic goals of this kind but are travelling overseas for holidays, business trips, or to work in an English speaking country and need help developing their vocabulary range for other reasons. Learning the Academic Word List (AWL) increases your ability to understand academic text by 10% It makes sense, therefore, to work with the AWL which is a list of 570 words.

"English Vocabulary for Academic Success" is for you if you are an English language student. With this workbook and its dictionary, you will learn the most important academic words that you will need for passing the TOEFL test and other tests. These words are important for you for understanding English in college and university courses. "English Vocabulary for Academic Success" is for you if you are studying English at the intermediate or advanced level. This vocabulary book is for you if you already know about 2,000 basic English words and if you want to study at a college or university in an English-speaking country. With "English Vocabulary for Academic Success," you will learn 540 words from the Academic Word List. You can check your answers using the answer key at the end of each unit and find more information about each word in the dictionary section. This workbook has 10 units, with 54 words per unit. By studying for one hour a day, you can finish one unit in about one week. Not only will your vocabulary improve, but also your grammar will improve as you practice changing the parts of speech (noun, verb, adjective, adverb, etc.), changing nouns from singular to plural and changing verb endings. Your spelling will improve because you have to spell each word accurately. There are exercises for producing each word seven or eight times: definition exercises (one sentence in context); "parts of speech" exercises (two sentences in context); collocations exercises (two or three sentences in context); synonyms Crossword Puzzles; review exercises (one sentence in context). Each unit has a dictionary with: definitions; parts of speech; collocations for each definition and each part of speech; additional definitions for idiomatic uses; synonyms; many sample sentences. Collocations are the key to producing vocabulary words the way native speakers do. A collocation is a word or group of words that naturally go together with a specific word. For example, the word "context" has the collocation "to take (something) out of." Thus, a native speaker would say "Please don't take my words out of context." There are thousands of collocation examples in "English Vocabulary for Academic Success." By learning these words, you will know almost 90% of the words that you read and hear in academic situations. You will read faster and understand much better. Your academic writing will improve because you will be able to produce the words with accurate grammar and spelling and use them with their correct collocations the way native speakers do. By knowing these words, you will have a greater chance to pass the TOEFL and other tests. Free Quizzes: Professionally prepared quizzes for each unit are available for instructors whose students are required to use this textbook. Please find more information in the preface of the book. Instructors whose second language is English will find this book extremely useful. This book provides thousands of examples of how native speakers of English use vocabulary in real-world situations. There are nearly 4,000 contextualized sentences in exercises of the ten units, as well as hundreds more sentences in the dictionary section of each unit.
