The examining team reviewed F6 Study Text covers all the relevant ACCA F6 syllabus topics. Computations are the most important part of this paper so there are plenty of detailed, worked examples throughout the text to help build your understanding and reinforce learning.

Our Study Text is the only P6 text reviewed by the examiner. It covers the entire syllabus at just the right level. There is a chapter towards the end of the text devoted to tax planning and ethics. This chapter helps you to bridge the gap between acquiring the knowledge that you must have at this level and

consequences of setting accounting standards, with emphasis on those that are alleged to be precipitated by the adoption and implementation of IFRS. The authors offer their reasoned critiques of the effectiveness of IFRS in promoting genuine global comparability of financial reporting. The editors of this collection have invited authors from 17 countries, so that a great variety of accounting, auditing and regulatory cultures, and educational perspectives, is amply on display in their essays.
