understanding of updated tax law, including regulations and administrative guidance. The U.S. Master Tax Guide was meticulously researched to cover today's federal tax law and was expertly-written to help identify tax planning opportunities, ensure accuracy when filing taxes, maximize your knowledge of all of the latest tax law developments, and serve as a quick reference guide when providing tax services to your business or clients. When it comes to preparing your clients' taxes, there's no room for errors. That's why accountants and other financial professionals turn to Wolters Kluwer for reference guides and continuing professional education (CPE) programs that allow them to stay on the cutting edge of this ever-changing field. Our team of industry experts provides the comprehensive information you need to stay one step ahead of the latest legislation and evolving tax codes, so you can provide clients with accurate, informed services that protect their financial interests - and your reputation. From exploring new areas of practice to brushing up on the fundamentals, we offer the resource you need to remain up-to-date year after year.
