A Microsoft Excel
formulas study guide
helps students by
providing them with
all of the formulas
needed to perform
tasks in Microsoft
Excel in one
convenient location.
Any students taking

Online Library Advanced Excel an Information And Systems or Information

Technology class for business majors would find this kind of study guide useful. Most of the formulas used in Excel have to be found in various pages of the program's help section, so they are not in one place.

Online Library Advanced Excel

Having the formulas
all on one page
provides students
with a handy
resource for looking
up formulas without
having to go through
several tabs or flip
through several
pages of a book.
