In the sequel to the Nebula finalist *The Strange Case of the Alchemist's Daughter*, Mary Jekyll and the rest of the daughters of mad scientists from literature embark on a madcap adventure across Europe to rescue another monstrous girl and stop the Alchemical Society's nefarious plans once and for all. Mary Jekyll's life has been peaceful since she helped Sherlock Holmes and Dr. Watson solve the Whitechapel Murders. Beatrice Rappaccini, Catherine Moreau, Justine Frankenstein, and Mary's sister Diana Hyde have settled into the Jekyll household in London, and although they sometimes quarrel, the members of the Athena Club get along as well as any five young women with very different personalities. At least they can always rely on Mrs. Poole. But when Mary receives a telegram that Lucinda Van Helsing has been kidnapped, the Athena Club must travel to the Austro-Hungarian Empire to rescue yet another young woman who has been subjected to horrific experimentation. Where is Lucinda, and what has Professor Van Helsing been doing to his daughter? Can Mary, Diana, Beatrice, and Justine reach her in time? Racing against the clock to save Lucinda from certain doom, the Athena Club embarks on a madcap journey across Europe. From Paris to Vienna to Budapest, Mary and her friends must make new allies, face old enemies, and finally confront the fearsome, secretive Alchemical Society. It's time for these monstrous gentlewomen to overcome the past and create their own destinies.

Based on some of literature's horror and science fiction classics, this "tour de force of reclaiming the narrative, executed with impressive wit and insight" (Publishers Weekly, starred review) debut is the story of a remarkable group of women who come together to solve the mystery of a series of gruesome murders—and the bigger mystery of their own origins. Mary Jekyll, alone and penniless following her parents' death, is curious about the secrets of her father's mysterious past. One clue in particular hints that Edward Hyde, her father's former friend and a murderer, may be nearby, and there is a reward for information leading to his capture—a reward that would solve all of her immediate financial woes. But her hunt leads her to Hyde's daughter, Diana, a feral child left to be raised by nuns. With the assistance of Sherlock Holmes and Dr. Watson, Mary continues her search for the elusive Hyde, and soon befriends more women, all of whom have been created through terrifying experimentation: Beatrice Rappaccini, Catherin Moreau, and Justine Frankenstein. When their investigations lead them to the discovery of a secret society of immoral and power-crazed scientists, the horrors of their past return. Now it is up to the monsters to finally triumph over the monstrous.

Long ago, at the height of the Golden Age of Piracy, the infamous pirate Ramsey and his shipmates sacrificed everything to embark on an impossible journey into the Sea of Thieves. In the present day, Larinna, an ambitious stowaway determined to leave her mark on history, joins forces with a wild and adventurous captain seeking the greatest treasure ever buried. Separated by time but united by their drive to uncover the secrets of the Sea of Thieves, both crews will face tricks, traps, and malevolent horrors unleashed from the depths of the sea as each draws nearer to Athena's Fortune. Take a deep breath and dive into an epic story based on Rare's thrilling shared-world adventure game Sea of Thieves, where aspiring pirates can set sail on exciting voyages. Discover the tales of famously fearsome pirates whose legends endure and whose plunder still lies buried, ready for the taking.

A prophecy condemns him, a goddess binds him, but what will set Odysseus free? A thrilling tale of a legendary Greek adventure, perfect for fans of Madeline Miller and David Gemmell. Young Prince Odysseus is about to have his world torn apart. He has travelled to the oracle at Pytho to be anointed as heir to his island kingdom, but instead a terrible secret is revealed, one that tears down every pillar of his life and marks him out for death. Outcast by his family and on the run, Odysseus is offered sanctuary by Athena, goddess of wisdom, and thrust headfirst into the secret war between the gods. But can his wits, and his skill as a warrior, keep him ahead of their power games and alive? Gods and mortals collide in this spellbinding retelling of a legend from classic Greek mythology, the first in the epic Olympus Trilogy. Praise for Athena's Champion "I'm always a sucker for some greek mythos retellings but this took the legendary tale to a another level. Legends, heroes, deceit, politics, sexism, fantasy, it has everything I love in a book and more" NetGalley Reviewer Jun Ong

Athenas Curse is the untold adventures of Princess Athena who is cursed by evil Queen Silvia to become evil. Athena teams up with the mutants from the haunted sewer to take revenge on Prince Arthur and the villagers. Together they go on a series of mischievous adventures that shatter the love and friendship she had. Throughout the story, Athena fights with her divided self of good and evil expressing her feelings and inner fights in monologues and emotional songs. Will she be able to conquer her dark side or will the evil devour her forever? Join Athena in her journey to find her true self and discover whether she fits in the world of good or evil.

Athena, the goddess of wisdom and war, recounts her many adventures and triumphs, in an addition to a graphic-novel series about the ancient Greek gods. By the creator of Journey Into Mohawk Country. Simultaneous.

In a post-apocalyptic underwater dome, there lives a girl with a starfish growing from her head. Her name is Ohime. She is the starfish girl. Alone in this world, Ohime must fight for her life against lecherous crabmen, piranha people, and a yellow algae that is causing humans to mutate into fish. Until she meets Timbre, a woman with deadly sea anemone hair. Ohime thinks she is safe with her new protector and friend, but Timbre is on the run from a violent past. Now they must escape Timbre's former master, the evil Dr. Ichii, who is determined to conquer the underwater dome . . . and destroy the starfish girl and her friend in the process.
