Title on DVD surface: Adult piano course.

More than 3-million adult students have learned to play the piano using this well-sequenced course. Perfect for beginners who prefer a chord approach, students learn how to play chords in either hand in order to move beyond simply playing single note melodies. The course contains outstanding songs such as "The Entertainer," "Scarborough Fair," "Greensleeves" and "Amazing Grace."

This book teaches sight reading in a systematic way by creating exercises based on the same concepts that the student is studying in the Lesson Book. Exercises are short and the music is generally easier than correlating pages in the Lesson Book.

This method begins with a review of the concepts presented in Level 2, then introduces new pieces and lessons in new keys to prepare the student for more advanced studies. Includes a "Just for Fun" section and an "Ambitious" section for the student who will devote a little extra effort toward learning some of the great masterworks that require additional practice.

Continuing the incredible popularity of Alfred's Basic Adult Piano Course, the new Self-Teaching Adult Piano Course book adapts the same friendly and informative style for adults who wish to teach themselves. Included is a CD containing all 65 musical examples. The accompanying DVD includes an introduction to all the pages in the book and performances of the pieces by well-known teacher, Gayle Kowalchyk. The Music Manuscript Book contains 64 blank, 12-stave manuscript sheets. Pages are 9" x 12" and printed on 100% recycled paper. Alfred's Mini Music Guide: Piano Chord Dictionary
