American Journey Volume 2 5th

Point of View—The American Journey presents a balanced overview of the American past. This text does not shy away from definite positions on controversial issues, such as the nature of early contacts between Native Americans and Europeans, why the political crisis of the 1850s ended in a bloody Civil War, and how Populism and its followers fit into the American political spectrum.

The American Journey Volume 2 is what we've been using for our U.S. History course this semester. It's a pretty good book filled with information focusing on many important events of the history of America. I would recommend reading the book right after a lecture on the current topic just to re-enforce the information and learn some more things ...

The American Journey, a cornerstone series for the U.S. History market, successfully blends the coverage of political and social histories of our great nation throughout the series. With this focus, the authors show that our attempt to live up to our American ideals is an ongoing journey. This journey, while still a work in progress, is increasingly more inclusive of different groups and ideas.

Explore the history of America through personal and collective journeys. Offering a blend of political and social histories, *THE AMERICAN JOURNEY* shows that our attempt to live up to our American ideals is an ongoing journey—one that has become increasingly more inclusive of different groups and ideas. With a goal of making American history accessible, the authors offer a strong, clear narrative and provide the reader with the tools they need to understand history.

Frames American history through personal and collective journeys Offering a blend of political and social histories, *The American Journey* shows that our attempt to live up to our American ideals is an ongoing journey—one that has become increasingly more inclusive of different groups and ideas. With a goal of making American history accessible, the authors offer a strong, clear narrative and provide students with the tools they need to understand history. MyHistoryLab is an integral part of the Goldfield program. Key learning applications include assessment, MyHistoryLab Video Series, and History Explorer. A better teaching and learning experience This program will provide a better teaching and learning experience—for you and your students. Here's how: Personalize Learning – MyHistoryLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance. Emphasize Outcomes – Learning Objective Questions at the beginning of each chapter and a chapter review and thematic timeline ending each chapter keep students focused on what they need to know. On MyHistoryLab, practice tests help students achieve these objectives by measuring progress and creating personalized study plans. Engage Students – A new pedagogically-driven design highlights a clear learning path through the material and offers a visually stunning learning experience in print or on a screen. With the Pearson eText, students can transition directly to MyHistoryLab resources such as primary source documents, videos, and mapping exercises. Improve Critical Thinking – Powerful learning applications in MyHistoryLab—including Explorer mapping exercises, Closer Look analyses of sources and topics, and Writing Assessments tied to engaging videos—promote critical thinking. Support Instructors – MyHistoryLab, Instructor's eText, MyHistoryLab Instructor's Guide, Class Preparation Tool, Instructor's Manual, MyTest, and PowerPoints are available.

#1 NEW YORK TIMES BESTSELLER • “A great American success story . . . an endearing and well-written book.”—The New York Times Book Review Colin Powell is the embodiment of the American dream. He was born in Harlem to immigrant parents from Jamaica. He knew the rough life of the streets. He overcame a barely average start at school. Then he joined the Army. The rest is history—Vietnam, the Pentagon, Panama, Desert Storm—but a history that until now has been known only on the surface. Here, for the first time, Colin Powell himself tells us how it happened, in a memoir distinguished by a heartfelt love of country and family, warm good humor, and a soldier's directness. *My American Journey* is the powerful story of a life well lived and well told. It is also a view from the mountaintop of the political landscape of America. At a time when Americans feel disenchanting with their leaders, General Powell's passionate views on family, personal responsibility, and, in his own words, “the greatness of America and the opportunities it offers” inspire hope and present a blueprint for the future. An utterly absorbing account, it is history with a vision.

The #1 New York Times bestseller From Vice President Kamala Harris, one of America's most inspiring political leaders, a book about the core truths that unite us, and the long struggle to discern what those truths are and how best to act upon them, in her own life and across the life of our country "A life story that genuinely entrances." —Los Angeles Times Vice President Kamala Harris's commitment to speaking truth is informed by her upbringing. The daughter of immigrants, she was raised in an Oakland, California community that cared deeply about social justice; her parents--an esteemed economist from Jamaica and an admired cancer researcher from India--met as activists in the civil rights movement when they were graduate students at Berkeley. Growing up, Harris herself never hid her passion for justice, and when she became a prosecutor out of law school, a deputy district attorney, she quickly established herself as one of the most innovative change agents in American law enforcement. She progressed rapidly to become the elected District Attorney for San Francisco, and then the chief law enforcement officer of the state of California as a whole. Known for bringing a voice to the voiceless, she took on the big banks during the foreclosure crisis, winning a historic settlement for California's working families. Her hallmarks were applying a holistic, data-driven approach to many of California's thorniest issues, always eschewing stale "tough on crime" rhetoric as presenting a series of false choices. Neither "tough" nor "soft" but smart on crime became her mantra. Being smart means learning the truths that can make us better as a community, and supporting those truths with all our might. That has been the pole star that guided Harris to a transformational career as the top law enforcement official in California, and it is guiding her now as a transformational United States Senator, grappling with an array of complex issues that affect her state, our country, and the world, from health care and the new economy to immigration, national security, the opioid crisis, and accelerating inequality. By reckoning with the big challenges we face together, drawing on the hard-won wisdom and insight from her own career and the work of those who have most inspired her, Kamala Harris offers in *THE TRUTHS WE HOLD* a master class in problem solving, in crisis management, and leadership in challenging times. Through the arc of her own life, on into the great work of our day, she communicates a vision of shared struggle, shared purpose, and shared values. In a book rich in many home truths, not least is that a relatively small number of people work very hard to convince a great many of us that we have less in common than we actually do, but it falls to us to look past them and get on with the good work of living our common truth. When we do, our shared effort will continue to sustain us and this great nation, now and in the years to come.

Providence, Rhode Island, 2017. When doctoral student Cameron Coelho, 28, opens a package from Indiana, he finds more than private papers that will help him with his dissertation. He finds a photograph of a beautiful society editor murdered in 1925 and clues to a century-old mystery. Within days, he meets Geoffrey Bell, the "time-travel professor," and begins an unlikely journey through the Roaring Twenties. Filled with history, romance, and intrigue, *INDIANA BELLE* follows a lonely soul on the adventure of a lifetime as he searches for love and answers in the age of Prohibition, flappers, and jazz.

We have all asked the questions, "Who Am I?", "Where Am I?", and "What Am I?". In MADE FOR MORE- A Journey of Purpose and Discovery, the reader will maneuver through these questions in order to understand the larger picture for their life. The ultimate goal is to lead the reader to understand they are made for a great purpose through Jesus. Through God and the message of hope found in scripture, the reader will discover they are truly Made For More.

Sit. Stay. LEAD!The Presidogs of the United States of Pawmerica is a re-imagining of history, telling the story of the forty-four men who have led this nation as if they were furry, fun-loving dogs. How would a rambunctious pooch have handled the Embargo Act of 1807? Or the Cuban Missile Crisis? Or a Civil War?! This coffee table book answers these questions, as well as provides the reader with an endless supply of historical and pawlantically charged puppy puns. Consti-CHEW-tion, anyone?Since every president is matched to a different breed of dog, this full color volume provides the reader with a concise personality profile for each represented breed.It's a great gift idea for animal lovers, history buffs, goofballs, hipsters, and children of all ages. Learn about history! Learn about dogs! All while laughing your silly head off. The Presidogs of the United States of Pawmerica is a quirky, educational and thoroughly adogable read for the whole family!

Challenges four dozen popular misconceptions about the United States' past, debunking beliefs about such topics as the separation of church and state, Lincoln's agenda behind the Emancipation Proclamation, and Truman's reasons for bombing Hiroshima. 25,000 first printing.
