An English course for secondary and adult students at the advanced level.

The late author, one of the first women to enter the field of management consulting, experienced what she described as "nibbles"--little bites that life takes out of a person's self confidence. She offers a process for dealing with the world that moves the reader toward personal power and growth arising out of the unique values and strengths of each person.

This is a one-level course for beginners which uses a comprehension-led approach. It is particularly suitable for adult learners who have not studied for some time, offering strong story lines, with simple language, yet a high cultural content. It is equally suitable for students who want some knowledge of English for leisure or travel, but do not wish to go on to study the language intensively.
