Segal, Gerdes, and Steiner's AN INTRODUCTION TO THE PROFESSION OF SOCIAL WORK, 4E, International Edition introduces you to the social work profession and describes the role of social worker in the social welfare system. Through case studies, personal stories, and exercises, this social work text helps you apply the concepts and truly understand what it means to be a social worker. Part of the Brooks/Cole Empowerment Series, the fourth edition is completely up to date and thoroughly integrates the core competencies and recommended practice behaviors outlined in the 2008 Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE).

Because Teaching Matters provides teachers with a realistic depiction of today a classrooms while highlighting the enormous impact they have on everyday lives. The second edition presents material around a framework of five professional commitments that allows them to make sense of what it means to be a teacher. A new critical-thinking framework helps them manage the content better and retain more of what they learn. Increased coverage of diversity and technology is integrated throughout the chapters. A new chapter has also been added on the history and philosophy of education. This book will help teachers make decisions and take responsibility for the consequences of those choices.

Designed for students who are taking a preliminary course in the counseling field, Introduction to the Counseling Profession, 7th Edition, provides a comprehensive overview of the history and foundational concepts of counseling, offering the most current and relevant breadth of coverage available from experts in their respective fields. This edition includes topics rarely discussed in introductory texts, such as self-care and self-growth and the use of technology in counseling, as well as a new chapter on crisis counseling. Chapters also reflect updates to the 2016 Council for the Accreditation of Counseling and Related Educational Programs (CACREP) standards, and a chapter on each CACREP specialization is included. Students will gain insight into the myriad issues that surround not only the process of counseling and its many populations but also the personal dynamics that have an impact on this process. Furthermore, a collection of supplemental resources is available online to benefit both instructors and students. Instructors will find PowerPoint slides and test banks to aid in conducting their courses, and students can access chapter summaries, exercises, and other tools to supplement their review of the material in the text.

For students considering and those pursuing a pharmacy career, Introduction to the Pharmacy Profession is a practical guide to the many opportunities in this growing field. Written by pharmacy professionals, this informative text helps students and new professionals understand the pharmacist's role in healthcare delivery, find their niche, and successfully begin their career. Beginning with a brief history of the pharmacy profession, this valuable resource explores future prospects in the evolving healthcare environment. Introduction to the Pharmacy Profession offers a career assessment tool as well as helpful tips on resume preparation, interviewing techniques, and obtaining an internship. Readers gain a real-world perspective on pharmacy practice through interviews with over 35 pharmacists from areas such as academia, public health, and retail pharmacy. These insightful testimonials describe practical job responsibilities and offer guidance on finding the right career path. • Offers a comprehensive overview of the pharmacy profession, covering the wide range of career opportunities available to pharmacy graduates • Provides expert guidance on gaining employment, including resume preparation and interviewing techniques • Features interviews with practicing pharmacists from various professional backgrounds who share their work experiences and offer advice on entering the field CHAPTER PEDAGOGY Learning Objectives Key Terms Tables, Pictures, and Illustrations Discussion Questions REFERENCES INSTRUCTOR RESOURCES • Instructor's Manual • PowerPoint Presentations • Test Bank STUDENT RESOURCES Companion Website, including: • Crossword Puzzles • Interactive Flashcards • Interactive Glossary • Matching Questions • Web links

A Counseling Primer presents an introduction to the counseling profession that provides students with a foundation for success. This engaging and accessible text covers the core CACREP Standard of Professional Orientation with a comprehensive overview of the field. It: Anticipates the questions of beginning students with a series of chapters that ask who counselors (and clients) are, what counseling is, when and where it is practiced, and why counselors choose the profession. Introduces students to the basics of essential attending and listening skills. Challenges readers with case vignettes and discussion questions. Encourages self-reflection and offers skills for observation of others. Supports student learning with extensive pedagogical features and resources. Enhances the reading experience with a robust online instructor's manual. This engaging textbook is full of useful features to enhance the learning experience. Each chapter includes "points to ponder", case examples, an "in practice: what would you do?" vignette with discussion questions, and a chapter summary. A self-reflection journaling exercise, termed the TPAC Chart (Thoughts, Feelings, Actions, Context) reinforces the material from each chapter and facilitates student growth. A Counseling Primer: An Introduction to the Profession is accompanied by a rich array of supplementary materials that are made available to qualifying adopters and their students completely free of charge. Our online resources are hosted on the Moodle course management system. Instructor Resources include: A sample course syllabus Chapter-by-chapter PowerPoint lecture slides Chapter-by-chapter Instructor Notes, including chapter summary, learning objectives, and instructions for suggested in-class activities and assignments An interactive test bank for each chapter (including multiple choice, true or false, and essay question formats). The tests and notes are available for download by instructors in a variety of useful formats, to suit your needs. Student Materials include: TPAC (Thoughts, Feelings, Actions, and Context) Journaling forms for self-reflection Class handouts for assigned and optional review activities
