An Unsocial Socialist begins in an unruly girl's school, comically portraying their tricks and pranks. The narrative then moves to a seemingly ill-bred laborer, who is in fact a wealthy gentleman in disguise. He wishes, in part, to avoid his overly-affectionate wife, but also to preach socialism, of which he is a staunch convert. The story is then largely subsumed in a discussion of socialism and briefly concludes with the suitable marriages of the now-grown schoolgirls.

This carefully crafted ebook: "An Unsocial Socialist (A Political Satire) - Complete Edition" is formatted for your eReader with a functional and detailed table of contents. An Unsocial Socialist, Shaw's last written novel was published in 1887, having been written in 1883. The tale begins with a humorous description of student antics at a girl's school then changes focus to a seemingly uncouth labourer who, it soon develops, is really a wealthy gentleman in hiding from his overly affectionate wife. Tinged with self-satirical overtones this novel shows both the positive and negative aspects of Socialism in a comically paradoxical manner. George Bernard Shaw (1856 – 1950) was an Irish playwright, essayist, novelist and short story writer and wrote more than 60 plays. He is the only person to have been awarded both a Nobel Prize in Literature (1925) and an Academy Award (1938). Excerpt: "I am expected to be something more than mortal. Everyone else is encouraged to complain, and to be weak and silly. But I must have no feeling. I must be always in the right. Everyone else may be homesick, or huffed, or in low spirits. I must have no nerves, and must keep others laughing all day long." Table of Contents: Biography: George Bernard Shaw by G. K. Chesterton An Unsocial Socialist

"An Unsocial Socialist" by Bernard Shaw. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten – or yet undiscovered gems – of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Scholars have been puzzling over the "future of the book" since Marshall McLuhan's famous maxim "the medium is the message" in the early 1950s. McLuhan famously argued that electronic media was creating a global village in which books would become obsolete. Such views were ahead of their time, but today they are all too relevant as declining sales, even among classic texts, have become a serious matter in academic publishing.Does anyone still read long and complex works, either from the past or the present? Is the role of a professional reader and reviewer of manuscripts still relevant? Book Matters closely analyses these questions and others. Alan Sica surmises that the concentration span required for studying and discussing complex texts has slipped away, as undergraduate classes are becoming inundated by shorter, easier-to-teach scholarly and literary works. He considers such matters in part from the point of view of a former editor of scholarly journals. In an engaging style, he gives readers succinct analyses of books and ideas that once held the interest of millions of discerning readers, such as Simone de Beauvoir's Second Sex and the works of David Graham Phillips and C. Wright Mills, among others.Book Matters is not a nostalgic cry for lost ideas, but instead a stark reminder of just how aware and analytically illuminating certain scholars were prior to the Internet, and how endangered the book is in this era of pixelated communication.
