From USA Today bestselling author Kimberly Knight, comes book one in her heartfelt and sexy Halo series. Inspired by a True Story. People are brought into our lives for many reasons. Over time, we find out who is meant to be a temporary acquaintance and who will be there for a lifetime. Easton Crawford put his modeling career before his marriage until it was ending in divorce. Years later, he is finally learning how to be the father his daughter needs him to be. He's not looking for someone to step into the mother role—just nightly casual hook-ups. When his best friend convinces him that a good way to meet single women is to go on a singles cruise, he finds more than just a one night stand. At age thirteen, Brooke Bradley became an adult, raising her younger sister while her mother continually ignored her parenting responsibilities. Since then, Brooke has continued to take care of the people in her life, including her deadbeat boyfriend, Jared. For Brooke's thirtieth birthday, her best friend surprises her with a cruise but fails to mention it's a singles cruise. When Brooke meets Easton, the one man willing to be her constant, will she finally find the courage to leave Jared? Easton knows that Brooke is someone who is meant to be in his life forever, but when a health scare threatens to change everything, Brooke and Easton are faced with unanswered questions and unspoken fears that could change everything. The Halo Series Book 1: Tattooed Dots (Brooke & Easton) Book 2: The One (Avery & Nicole) Book 3: Never Stop (Brooke & Easton) Book 4: My One (Avery & Nicole)

The classic autobiographical novel by Jack Kerouac featuring "one of the most true, comic, and grizzly journeys in American literature" (Time)—now in a new edition Originally published in 1965, this autobiographical novel covers a key year in Jack Kerouac's life—the period that led up to the publication of *On the Road* in September of 1957. After spending two months in the summer of 1956 as a fire lookout on Desolation Peak in the North Cascade Mountains of Washington, Kerouac's fictional self Jack Duluoz comes down from the isolated mountains to the wild excitement of the bars, jazz clubs, and parties of San Francisco, before traveling on to Mexico City, New York, Tangiers, Paris, and London. Duluoz attempts to extricate himself from the world but fails, for one must "live, travel, adventure,

bless, and don't be sorry." Desolation Angels is quintessential Kerouac.

Betrayal has many guises . . . London, 1593: Five years on from the Armada and England is taking its first faltering steps towards a future as a global power. Nicholas Shelby--reluctant spy and maverick physician--and his companion Bianca Merton are settling into a life on Bankside. But in London there is always a plot afoot . . . Robert Cecil, the Queen's spymaster, once again recruits Nicholas to embark on a dangerous undercover mission that will take him to the back alleys of Marrakech in search of a missing informer. However, while Nicholas hunts for the truth across the seas, plague returns once more to London--ravaging the streets and threatening those dearest to him. Can Bianca and Nicholas' budding relationship weather the threats of pestilence and conspiracy? And will Nicholas survive the dangers of his mission in a hostile city to return safely home?

David Liss's bestselling historical thrillers, including *A Conspiracy of Paper* and *The Coffee Trader*, have been called remarkable and rousing: the perfect combination of scrupulous research and breathless excitement. Now Liss delivers his best novel yet in an entirely new setting--America in the years after the Revolution, an unstable nation where desperate schemers vie for wealth, power, and a chance to shape a country's destiny. Ethan Saunders, once among General Washington's most valued spies, now lives in disgrace, haunting the taverns of Philadelphia. An accusation of treason has long since cost him his reputation and his beloved fiancée, Cynthia Pearson, but at his most desperate moment he is recruited for an unlikely task--finding Cynthia's missing husband. To help her, Saunders must serve his old enemy, Treasury Secretary Alexander Hamilton, who is engaged in a bitter power struggle with political rival Thomas Jefferson over the fragile young nation's first real financial institution: the Bank of the United States. Meanwhile, Joan Maycott is a young woman married to another Revolutionary War veteran. With the new states unable to support their ex-soldiers, the Maycotts make a desperate gamble: trade the chance of future payment for the hope of a better life on the western Pennsylvania frontier. There, amid hardship and deprivation, they find unlikely friendship and a chance for prosperity with a new method of distilling whiskey. But on an isolated frontier, whiskey is more than a drink; it is currency and power, and the Maycotts' success attracts the brutal attention of men in Hamilton's orbit, men who threaten to destroy all Joan holds dear. As their causes intertwine, Joan and Saunders--both patriots in their own way--find themselves on opposing sides of a daring scheme that will forever change their lives and their new country. *The Whiskey Rebels* is a superb rendering of a perilous age and a nation nearly torn apart--and David Liss's most powerful novel yet.

Your favorite authors are back along with some wonderful new storytellers--plus more recipes from Creekite chef Bubba Rice. Pull up a wicker rocker, sip some peach-flavored iced tea, and listen as the townsfolk of Mossy Creek share their lives with you once again.

Princess Bertha of Paris is shocked to learn of her impending marriage to the heathen king of Kent. But their barbaric world is dramatically changed by the coming of Augustine from Rome, on a mission to impress his hero, Pope Gregory the Great. As the new arrivals face hostility and murder, the powerful king sees a way of using Augustine to further his ambition. However, Bertha's eldest son is in league with the banished priests and she knows her husband's vengeance will be terrifying should he find out. In this Anglo-Saxon world on the threshold between pagan beliefs and Christianity, the feisty Bertha and the timorous Augustine form an unlikely alliance.

Short stories deal with a mother who encounters the double of her lost daughter, a woman recovering from a nervous breakdown, and other situations from frightening to funny
