First published in 1938, 'Anthem' is a dystopian fiction novel by British writer Ayn Rand. It takes place at some unspecified future date when mankind has entered another dark age. Technological advancement is now carefully planned and the concept of individuality has been eliminated.

The controversial classic work of one individual's will versus the subjugation of society-now available as a compelling graphic novel. In all that was left of humanity there was only one man who dared to think, seek, and love. He, Equality 7-2521, would place his life in jeopardy. For his knowledge was regarded as a treacherous blasphemy. He had rediscovered the lost and holy word..."I".

My happiness is not the means to any end. It is the end. It is its own goal. It is its own purpose. Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and a clear predecessor to her later masterpieces. The Fountainhead and Atlas Shrugged. In Anthem, Rand examines a frightening future in which individuals have no name, no independence, and no values. Equality 7-2521 lives in the dark ages of the future where all decisions are made by committee, all people live in collectives, and all traces of individualism have been wiped out. Despite such a restrictive environment, the spark of individual thought and freedom still burns in him—a passion which he has been taught to call sinful. In a purely egalitarian world, Equality 7-2521 dares to stand apart from the herd—to think and choose for himself, to discover electricity, and to love the woman of his choice. Now he has been marked for death for committing the ultimate sin. In a world where the great "we" reign supreme, he has rediscovered the lost and holy word—"I."

What does it take to change the world? The ["epic adventure"](#) (Booklist) of a band of unlikely heroes on a quest to save one innocent life who may end up saving us all. For decades, Judge Margot Burr-Nadir has worked tirelessly, case by case, to administer justice from the federal bench of the Eastern District of the United States. Her position already seems like the highest possible honor. So she is surprised when a call comes from the President of the United States inviting her to accept his nomination to the Supreme Court—not least because in choosing her, in an unprecedented attempt to heal a divided nation, the President has reached across party lines. For Margot, this should be among the brightest spots of an already charmed existence. But the call comes on a family trip to visit their oldest daughter, Story, who has, without warning, vanished as if spirited away in the middle of the night by forces unseen. Margot soon finds herself thrust onto the national stage in the middle of every parent's worst nightmare. The desperate search for Story's whereabouts soon intersects with the mission of teenagers Simon Oliver, Louise Conklin, and a young man known only as the Prophet. Together, they have escaped from the Float Anxiety Abatement Center in Chicago on the trail of man known as The Wizard: an unimaginably wealthy, almost mythical figure of unspeakable evil who has for years been taking whatever he wants without reaping the consequences. Stopping him, this band of young people hopes to accomplish what their elders can't or won't do: fix a broken world. Noah Hawley's new novel is an adventure that finds unquenchable lights in dark corners. Unforgettably vivid characters and a plot as fast and bright as pop cinema blend in a Vonnegutian story that is as timeless as a Grimm's fairy tale. It is a leap into the idiosyncratic pulse of the American heart, written with the bravado, literary power, and feverish foresight that have made Hawley one of our most essential writers.

A lyrical picture book debut from #1 New York Times bestselling author and presidential inaugural poet Amanda Gorman and #1 New York Times bestselling illustrator Loren Long "I can hear change humming In its loudest, proudest song. I don't fear change coming, And so I sing along." In this stirring, much-anticipated picture book by presidential inaugural poet and activist Amanda Gorman, anything is possible when our voices join together. As a young girl leads a cast of characters on a musical journey, they learn that they have the power to make changes!big or small!in the world, in their communities, and in most importantly, in themselves. With lyrical text and rhythmic illustrations that build to a dazzling crescendo by #1 New York Times bestselling illustrator Loren Long, Change Sings is a triumphant call to action for everyone to use their abilities to make a difference.

While some try to get out of prison, Soapy, the only character in O. Henry's short story, tries to get into it. Soapy is a homeless guy who prefers the warm cell to the cold night under the New York sky. He does everything he can think of in order to draw the attention of the police. However without any success. Until he hears a magical organ anthem. How will this story develop? Will Soapy manage to get into jail or he will find another way to sort out his life? "The Cop and the Anthem" is a comical short story with a touch of irony which emphatically presents the lower class and the obstacles man has to face. William Sidney Porter (1862-1919), known simply as O. Henry, was a prolific American author of humorous literary pieces. His fame came exceptionally quickly and he became a bestselling author of short story collections, among the most famous being "Cabbages and Kings", "The Voice of the City", and "Strictly Business." As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name, given to exceptional short stories.

All animals are equal but some animals are more equal than others. It's just an ordinary farm - until the animals revolt. They get rid of the irresponsible farmer. The other animals are sure that life is improving, but as systems are replaced and half-truths are retold, a new hierarchy emerges . . . Orwell's tale of propaganda, power and greed has never felt more pertinent. With an exciting new cover and inside illustrations by superstar Chris Mould.

"Tonight he noticed how the women's eyes Passed from him to the strong men that were whole." The true horror of the trenches is brought to life in this selection of poetry from the front line. Introducing Little Black Classics: 80 books for Penguin's 80th birthday. Little Black Classics celebrate the huge range and diversity of Penguin Classics, with books from around the world and across many centuries. They take us from a balloon ride over Victorian London to a garden of blossom in Japan, from Tierra del Fuego to 16th-century California and the Russian steppe. Here are stories lyrical and savage; poems epic and intimate; essays satirical and inspirational; and ideas that have shaped the lives of millions. Wilfred Owen (1893-1918). Owen is available in Penguin Classics in Three Poets of the First World War: Ivor Gurney, Isaac Rosenberg, Wilfred Owen.

From two-time National Book Award finalist Deborah Wiles, the remarkable story of two cousins who must take a road trip across America in 1969 in order to let a teen know he's been drafted to fight in Vietnam. Full of photos, music, and figures of the time, this is the masterful story of what it's like to be young and American in troubled times.

#1 NEW YORK TIMES BESTSELLER ["ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME](#) The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist!books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. ["The kind of book that can be life-changing."](#) ["The New York Times"](#) ["Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank."](#) ["USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.](#)
