Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren ' t necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

A reconsideration of Constant Nieuwenhuys's visionary architectural project, New Babylon, and of the role of drawing in and electronic age.

Why do early films present the Netherlands as a country full of canals and windmills, where people wear traditional costumes and wooden shoes, while industries and modern urban life are all but absent? Images of Dutchness investigates the roots of this visual repertoire from diverse sources, ranging from magazines to tourist brochures, from anthropological treatises to advertising trade cards, stereoscopic photographs, picture postcards, magic lantern slide sets and films of early cinema. This richly illustrated book provides an in-depth study of the fascinating corpus of popular visual media and their written comments that are studied for the first time. Through the combined analysis of words and images, the author identifies not only what has been considered "typically Dutch" in the long nineteenth century, but also provides new insights into the logic and emergence of national clichés in the Western world.

Trouet delights us with her dedication to the tangible appeal of studying trees, a discipline that has taken her to austere and beautiful landscapes around the globe and has enabled scientists to solve long-pondered mysteries of Earth and its human inhabitants.

In the past 20 years, a wave of right-wing populist movements has swept over Europe, changing the face of European politics. The Netherlands has been one of the more iconic countries to partake in this shift. Known internationally as an emblem of progressivism and tolerance, the country soon became a frontrunner in the revival of nationalist and anti-immigrant sentiment. This is the first study to offer an extensive engagement with the ideas behind the Dutch swing to the right. The emergence of Dutch populism, this book shows, formed an integral part of a broader conservative tendency, identified as the Dutch New Right. In the US and the UK, the term New Right has been used to describe conservative backlash movements that arose in opposition to the progressive movements of the 1960s. The Dutch swing to the right, this book argues, formed a belated iteration of the New Right backlash that occurred overseas. This text will be essential reading for students and scholars in the fields of European Studies and Political Science, and Dutch politics and society more specifically.

Whether you want to take up Spanish from scratch or brush up on your existing skills, this practical, easy-to-follow guide is for you! Inside you'll find helpful lessons, cultural facts, handy references and much more, including a Spanish-English mini-dictionary and common verb lists. advertising, highlighting its impact on the Dutch book trade, economy and society.

This practical and inspirational guide to healing from the award-winning, New York Times bestselling author of *The Choice* shows us how to stop destructive patterns and imprisoning thoughts to find freedom and enjoy life. Edith Eger's powerful first book *The Choice* told the story of her survival in the concentration camps, her escape, healing, and journey to freedom. Oprah Winfrey says, "I will be forever changed by Dr. Eger's story." Thousands of people around the world have written to Eger to tell her how *The Choice* moved them and inspired them to confront their own past and try to heal their pain; and to ask her to write another, more "how-to" book. Now, in *The Gift*, Eger expands on her message of healing and provides a hands-on guide that gently encourages us to change the thoughts and behaviors that may be keeping us imprisoned in the past. Eger explains that the worst prison she experienced is not the prison that Nazis put her in but the one she created for herself, the prison within her own mind. She describes the twelve most pervasive imprisoning beliefs she has known—including fear, grief, anger, secrets, stress, guilt, shame, and avoidance—and the tools she has discovered to deal with these universal challenges. Accompanied by stories from Eger's own life and the lives of her patients each chapter includes thought-provoking questions and takeaways, such as: -Would you like to be married to you? -Are you evolving or revolving? -You can't heal what you can't feel. Filled with empathy, insight, and humor, *The Gift* captures the vulnerability and common challenges we all face and provides encouragement and advice for breaking out of our personal prisons to find healing and enjoy life.

This second edition updates a course which has proven to be a perfect fit for classes the world over. Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. Popular course features have been refreshed with new content, including the imaginative reading and listening topics, 'Culture in Mind', and 'Everyday English' sections. New for the second edition is a DVD-ROM with the Level 1 Student's Book containing games, extra exercises and videos featuring the photostories' characters as well as a 'Videoke' record-yourself function. There is a full 'Vocabulary bank' at the back of the book which expands upon lexical sets learned in the units.

Immortally Embraced Angie Fox Even during a truce, Dr. Petra Robichaud has her hands full as the M*A*S*H surgeon to an army of warring gods—especially when Medusa herself turns up pregnant. Petra has no idea what to expect when a gorgon's expecting, but she won't let it turn her to stone. As the healer-hero of an ancient prophesy, it's Petra's job to keep the peace. But as the lover to a warrior demi-god, she knows how impossible some jobs can be... Commander Galen is sexy, strong, and sworn to lead his team to hell and back. But when he announces to Petra that he can no longer risk her life for his love, the doctor is on her own...Until a mysterious new entity—in the form of a hot-blooded male—enters the picture. Can he be trusted? Can he be resisted? Meanwhile, an oracle delivers another prophesy that places Petra back on the frontlines with the man she may be bound to for eternity—in love, or in war...
