Ways of the World is one of the most successful and innovative textbooks for world history. The brief-by-design narrative is truly global and focuses on significant historical trends, themes, and developments in world history. Authors Robert W. Strayer, a pioneer in the world history movement with years of classroom experience, along with new co-author Eric W. Nelson, a popular and skilled teacher, provide a thoughtful and insightful synthesis that helps students see the big picture while teaching students to consider the evidence the way historians do.

Comparisons, Connections, & Change-contexts for the particulars Ways of the World is the textbook preferred by AP World History teachers and students across North America. Like the AP course it supports, Ways of the World focuses on significant historical trends, themes, and developments in world history. Author Robert W. Strayer provides a thoughtful and insightful synthesis that helps students see the big picture. Each chapter then culminates with collections of primary sources (written and visual) organized around a particular theme, issue, or question, thus allowing students to consider the evidence the way historians do. The second edition includes a wealth of supporting resources and supplements for the AP course, including an AP Skills Primer and AP Chapter Wrap-Ups, and rolls out Bedford/St. Martin's new digital history tools, including LearningCurve, an adaptive quizzing engine that garners over a 90% student satisfaction rate, and LaunchPad, the all new interactive e-book and course space that puts high quality easy-to-use assessment at your fingertips. Featuring video, additional primary sources, a wealth of adaptive and summative quizzing, and more, LaunchPad cements student understanding of the text while helping them make progress toward learning outcomes. It's the best content joined up with the best technology.
