Today • “ As one adventure leads expertly to the next, time simply evaporates. ” —Entertainment Weekly A world at stake. A quest for the ultimate prize. Are you ready? In the year 2045, reality is an ugly place. The only time Wade Watts really feels alive is when he ’ s jacked into the OASIS, a vast virtual world where most of humanity spends their days. When the eccentric creator of the OASIS dies, he leaves behind a series of fiendish puzzles, based on his obsession with the pop culture of decades past. Whoever is first to solve them will inherit his vast fortune—and control of the OASIS itself. Then Wade cracks the first clue. Suddenly he ’ s beset by rivals who ’ ll kill to take this prize. The race is on—and the only way to

comprehension. Enter Davis Martin, United States Marine Corps Cadet and one of the first people to have encountered this new enemy in the field. Can he complete his training and graduate into the ranks of the military before the entire world is engulfed in uncontrollable flame? And if so, will he have what it takes to make a difference? An English prince with a penchant for narcissism and chauvinistic passion, has a dark secret. Despite being the most successful capitalist in history, he hungers for more power - seeking it from the depths of this new race's psyche. Can he control the enemy long enough to get what he wants, or will he be destroyed with the rest of humanity? Finally, Arr'itaoll, the Warlord of the

Scuratt'ka, a being that is effectively Commander and Chief, General, Judge and Executioner all in one, has a morality problem. He has lived his entire life being told there is but one glorious purpose to his existence: destroying humanity in its entirety. However, is this 'glorious crusade' truly in the cards for him? Or will he turn his back on his own race and help the ones he has sworn to destroy? Only time will tell...

After the accession of Elizabeth I in 1558, Protestant England was beset by the hostile Catholic powers of Europe, including Spain. In October 1585, King Philip II of Spain declared his intention to destroy Protestant England and began preparing invasion plans,

Acces PDF Armada

leading to an intense intelligence war between the two countries and culminating in the dramatic sea battles of 1588. Popular history dictates that the defeat of the Spanish Armada was a David versus Goliath victory, snatched by plucky and outnumbered English forces. In this tightly written and fascinating new history, Robert Hutchinson explodes this myth, revealing the true destroyers of the Spanish Armada—inclement weather and bad luck. Of the 125 Spanish ships that set sail against England, only 60 limped home, the rest wrecked or sank with barely a shot fired from their main armament. In this dramatic hour-by-hour, blow-by-blow account of the Spanish Armada's attempt to destroy

Acces PDF Armada

Elizabeth's England, Hutchinson spins a compelling and unbelievable narrative. Using everything from contemporary eyewitness accounts to papers held by the national archives in Spain and the United Kingdom, Robert Hutchinson re-creates one of history's most famous episodes in an entirely new way.

The Spanish Aramda is a radical interpretation of why Philip II's Armada of 1588 failed so disastrously. This new edition is based on a fresh examination of archival sources across Europe, combined with the archaeological investigation of some of its wrecked ships off the coasts of Scotland and Ireland. The new edition has been extensively

Acces PDF Armada

revised to incorporate ten further years of research by the authors and others, and is likely to remain the standard account for years to come.

During the year between July 1588, when the Spanish Armada set sail from Spain and July 1589, when the survivors of the English counterpart of this fleet, the little-known English Armada, reached port in England, two of history's worst naval catastrophes took place. A great deal of attention has been dedicated to the former and precious little to the latter. This book presents a full-scale account of an event which has been neglected for more than four centuries. It reconstructs the military operations day by day for

Acces PDF Armada

the first time, taking apart the established notion that, with the defeat of the Spanish Armada, England achieved maritime supremacy and the decay of Spain began. This book clearly and in a rigorously documented fashion shows how the defeat of the English Armada counterbalanced that of the Spanish, frustrating England's intention of seizing Philip II's American empire and changing the tide of the war.

The armada's contribution to the tenacious survival of Spanish hegemony.
