ASE's Study Guides help you gauge your test readiness and focus your preparation. Each Guide — there's one for each test series — gives details on the individual tests, includes sample questions, and offers suggestions for further preparation. To get the best results, start with the "Test Specifications" Section for each test to see what's covered, the number of questions, and major content areas.

~~Study Guides - ASE - Automotive Service Excellence - ASE~~

There's an ASE Study Guide for each test series: a detailed 'roadmap' of the individual tests, with sample questions and suggestions for further preparation. To download, just click on the name of the Study Guide (s) you need.

The only support they provide now is a box of old tests preparation manuals for us to sign out and study from. The problem is these manuals were written in 1996. It's nice they're free, but the information contained inside is very outdated. Still some of the old preparation materials are useful for the basic tests like engine repair.

Prepare tomorrow's automotive professionals for success on the National ASE Certification Tests. ASE Test Preparation and Study Guide, 2/e covers ASE areas A1-A8, and is designed to help service technicians and students of automotive technology prepare to take the National ASE Certification Tests. Written by a service technician and an automotive

instructor--not a technical writer--the Second Edition is updated and expanded to include G1, A9, and L1 test questions and explanations, organized by ASE test area to make studying easier, and includes twice the number of questions on the actual test. The ideal supplement to all automotive technology courses, it covers all topics in one complete text.

Synopsis: Filled with updated task list theory, practice tests, and abundant, demonstrative graphics, this revised edition provides all the latest information required to sufficiently prepare technicians to pass each of the A1-A8 and L1 ASE certification exams. Each chapter begins with a pretest that indicates the depth of preparation required to become familiar with the information in the chapter, followed by a description of each ASE task and the must-have information related to the task. ASE-type questions at the end of each chapter appear in the same format as on actual ASE tests to further prepare users to pass each exam.

The fifth edition of Delmar's Automotive Service Excellence (ASE) Test Preparation Manual for the C1 SERVICE CONSULTANT certification exam contains an abundance of content designed to help you successfully pass your ASE exam. This manual will ensure that you not only understand the task list and therefore the content your actual certification exam will be based upon, but also provides descriptions of the various types of questions on a typical ASE exam, as well as presents valuable test taking strategies enabling you to be fully prepared and confident on test day.

This text is designed to be a supplement to all courses in Automotive Technology. This text is part of the Pearson Automotive Series. Preparing today's automotive students for career success! Market-leading ASE Test Prep and Study Guide has been fully updated and expanded to address the latest technology and automotive systems. Written to current ASE tasks and standards, the guide covers ASE areas A1-A9, G1, and L1 with hundreds of test questions that use similar wording to the actual ASE certification tests. The new third edition includes a list of the task that ASE states will be covered in the certification tests as well as the time allocated for each test. The study guide also includes a complete explanation for why the right answer is correct as well as why the wrong answers are not correct. The 3rd edition reflects changes to the ASE certification tests since the last revision. It includes many new questions, some with electrical schematics, as well as new test prep features.

The fifth edition of DELMAR'S AUTOMOTIVE SERVICE EXCELLENCE (ASE) TEST PREPARATION MANUAL for the L1 Advance Engine Performance exam now contains even more content so you can pass your ASE exam the first time. This manual will ensure that you understand the Advance Engine Performance task list and are fully prepared and confident to take your exam.

The fifth edition of Delmar's Automotive Service Excellence (ASE) Test Preparation Manual for the A8 ENGINE PERFORMANCE certification exam contains an abundance of content designed to help you successfully pass your ASE exam. This manual will ensure that you not only understand the task list and therefore the content your actual certification exam will be based upon, but also provides descriptions of the various types of questions on a typical ASE exam, as well as presents valuable test taking strategies enabling you to be fully prepared and confident on test day.

The fifth edition of Delmar's Automotive Service Excellence (ASE) Test Preparation Manual for the A7 HEATING AND AIR CONDITIONING certification exam contains an abundance of content designed to help you successfully pass your ASE exam. This manual will ensure that you not only understand the task list and therefore the content your actual certification exam will be based upon, but also provides descriptions of the various types of questions on a typical ASE exam, as well as presents valuable test taking strategies enabling you to be fully prepared and confident on test day.

Reviews topics covered on the exam, offers test taking tips, and includes six practice exams.

Prepare to pass any automotive ASE exam with help from this newly revised package of test preparation booklets. Each title in this popular series features the recently updated task list for the ASE topic of that book, with written overviews that describe the actual work that needs to be done as a technician that will be tested on by ASE. Technicians seeking certification in any one of the automotive ASE exam areas will benefit from the valuable preparation offered, including ASE test taking strategies, hundreds of ASE-style exam questions, and detailed explanations as to why a particular answer is correct or incorrect. The newest booklet, (C1) Service Consultant, rounds out this comprehensive package.
