This book is intended to offer answers to the many questions that are in the mind of well-wishers, believers, students, physicians of Bach Flower Remedies.

The book outlines some of the theories about the ageing process a natural process but one which can slowed down but it is main objects is to suggest ways of keeping healthy and keeping disease at the bay.

"The Twelve Healers And Other Remedies" is a book of herbal remedies and ingredients that may be used to treat a variety of ailments. The author claims that it is because of our fears, cares, and worries that we get ill; and, by treating these problems, we will be happier and healthier. To that end, he presents simple herbal remedies for a variety of problems ranging from indecision and apathy to hay fever and beyond. Contents include: "For Fear", "For Uncertainty", "For Insufficient Interest in Present Circumstances", "For Loneliness", "For Those Over-Sensitive to Influences and Ideas", "For despondency or Despair", "For Over-Care for Welfare of Others", etc. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with the original text and artwork.

Final and Complete healing will come from within, from the Soul itself, which by His Beneficence radiates harmony throughout the personality when allowed to do so.

It is a pioneering zeal by the author on a new subject of Bach Flower Remedies which is an allied subject of homeopathy. The system of flower remedies is still in its infancy stages. In this work, description of remedies are written in a lucid language with cases treated by the author himself. The cases given are complete in every extent along with follow ups and patient's feedback to the system of medicine. The repertory section of the book is complete and rubrics can be located in a minutes' time.

The object of this book is to give an easy practical method of arriving at the correct homeopathic remedy to suit a person in trouble, whether one is a practitioner, a student or merely an interested layman.

The author has found from his experience that homoeopathic concepts and homoeopathic remedies benefit the psychotherapeutic activity.The ideas of Hahnemann as stated in his Organon of medicine have been successfully illustrated in the clinical cases pre

One of the reasons for popularity of this book as expressed by many readers is the inclusion of some selected practical case histories at the end of the book.
