This e-book is part of the series that come from the proceeding of the International Conference on Political Economy (ICOPEC) 2019 that was held at Marmara University, Istanbul, Turkey in June 2019 and sponsored by several other academic institutions. The general theme of ICOPEC 2019 was 'If Globalism is Dead—Long Live What?' and touched upon a crucial issue of the contemporary global economy. The volume at hand carries the title 'Globalization, Poverty, Inequality, & Sustainability'. It contains ten selected papers from the conference that benefited from comments and discussion during the conference and were subsequently significantly improved.

Inter-university cooperation across the world has shown several positive outcomes in terms of knowledge exchange as well as R&D benefits. This book portrays best practices of inter-university cooperation between Italian and American universities, while featuring agreements of Sapienza University of Rome. This book presents conceptual and implementation specifics of cooperation, policy perspectives, as well as a selection of framework agreements of current cooperation initiatives. Aimed at university professors, education and R&D policy makers, this book shall prove worthy as a guideline to initiate and implement inter-university cooperation globally.
