Amazon will prove a powerful tool for ecologists and climate modelers. It also contains brief reviews of pioneering pollen work in the Amazon to date; sections on pollen methods, pollen statistics, paleoecology, and lake coring methods.

The contents of this book are based on the HBS course "New Product Development: An Analytical Approach." The philosophy of this course is that a deep understanding of consumer decision making is the key to success at the various stages in the development process and that there is a set of tools which provides managers with the necessary insights. The book's objective is to provide the knowledge necessary for a manager to use and employ these tools effectively in new product decision making.

Includes Part 1, Number 2: Books and Pamphlets, Including Serials and Contributions to Periodicals July - December)
