Stormhosts, none are more vaunted than the Hammers of Sigmar. In the shadow of the Nomad City, the mettle of the Stormbound is tested the battle to sanctify the Crucible of Blood, a gateway to Chaos and madness. Within the ranks of the Stormcast Eternals, there is one who is greater than all others. He is the Celestant-Prime. For centuries he slumbered, until the great hammer of Sigmar, Ghal Maraz, was returned. But a warrior born must still be tempered, and so unto the swamps of Krahl does Sigmar cast his scion to destroy a powerful creature called the Prismatic King.

Another great Vampire story from author David Annandale! Blood Queen Neferata must call upon all her cunning and guile if she is to maintain her rulership... fortunately, those are qualities not in short supply... Neferata is besieged. To the east, the daemon prince Graunos gathers the legions of the Blood God, seeking to tear the Mortarch from her throne. To the south, Sigmar's storm heralds the coming of the Anvils of the Heldenhammer, intent on pressing the God King's claim. All the while, an ancient enemy grows, hidden within Neferata's lands. Never has her power seemed so fragile. But, within the dominion of bones, the Mortarch of Blood controls all, and even the champions of the Dark Gods will find themselves puppets in her schemes.
