Meet Jordy. He's on his own in New York City. Nobody to depend on; nobody depending on him. And it's been working fine. Until this girl comes along. She's 18 and blond and pretty—her world should be perfect. But she's seen things no one should ever see in their whole life—the kind of things that break a person. She doesn't seem broken, though. She seems . . . innocent. Like she doesn't know a whole lot. Only sometimes she does. The one thing she knows for sure is that the world is an ugly place. Now her life may depend on Jordy proving her wrong. So they hit the road to discover the truth—and there's no going back from what they find out. This deeply felt, redemptive novel reveals both the dark corners and hidden joys of life's journey—and the remarkable resilience of the human soul.

Chloe Bunny lives with her big family of ten older brothers and sisters and ten younger brothers and sisters, but it is only Chloe who is able to compete with the new television set that Dad brings home one evening.

Chloe is not what her older sister expected, but maybe that is just what makes her special and lovable.

An intelligent but insecure fifteen-year-old aspiring musician, who sports off-beat clothes, spiked hair, and multiple piercings, questions the existence of God until she meets Him head-on in a graveyard.

What is the reality of being a midwife in the twenty-first century? What is it like to help and

## Download File PDF Becoming His Baby By Chloe Carpenter Risitia

support women throughout pregnancy and childbirth and into motherhood? What roles can midwives play in society? This new edition of the popular text, *Becoming a Midwife*, explores what it is to be a midwife, looking at the factors that make midwifery such a special profession, as well as some of the challenges. The fully updated chapters cover a variety of settings and several different stages in a woman's pregnancy, including stories from midwives working in hospitals and in the community, as managers, supervisors and educators, and as men, women, mothers and birth activists. All chapters are narrated by contributors who introduce their own theme, recount a vignette that throws light on their understandings of midwifery and reasons for becoming (or not becoming) a midwife and any subsequent career moves. Backed up by commentaries and drawing together these insights, the editors show what it means to be a midwife today. Suitable for those contemplating a career in midwifery and providing an opportunity for reflection for more experienced midwives, this thought-provoking book is an invaluable contribution to midwifery.

Science tells us that babies develop best when they are spoken to, sung to, and read to. Introduce your baby to a world of words and pictures with these 30 classic nursery rhymes from the Mother Goose collection and beyond paired with images of Chloe Giordano's delightful hand-embroidered illustrations on cloth. Even when they're tiny, the sound of their parents' voices helps babies make sense of the world and feel comfortable with new people and places. This treasury gives you the opportunity to rediscover just how useful (and calming) these best-loved nursery rhymes are in one, handsome volume. Bond with your baby and help them grow as you recite and sing these timeless rhymes: Hey, Diddle Diddle; Baa, Baa, Black

“Absolutely charming... a flawless balance of humor, heat, sweetness, and depth, and I loved every page.” – Helen Hoang, USA Today bestselling author of *The Bride Test* USA TODAY BESTSELLER A witty, hilarious romantic comedy about a woman who's tired of being “boring” and recruits her mysterious, sexy neighbor to help her experience new things—perfect for fans of Sally Thorne, Jasmine Guillory, and Helen Hoang! Chloe Brown is a chronically ill computer geek with a goal, a plan, and a list. After almost—but not quite—dying, she's come up with seven directives to help her “Get a Life”, and she's already completed the first: finally moving out of her glamorous family's mansion. The next items? Enjoy a drunken night out. Ride a motorcycle. Go camping. Have meaningless but thoroughly enjoyable sex. Travel the world with nothing but hand luggage. And... do something bad. But it's not easy being bad, even when you've written step-by-step guidelines on how to do it correctly. What Chloe needs is a teacher, and she knows just the man for the job. Redford ‘Red’ Morgan is a handyman with tattoos, a motorcycle, and more sex appeal than ten-thousand Hollywood heartthrobs. He's also an artist who paints at night and hides his work in the light of day, which Chloe

## Download File PDF Becoming His Baby By Chloe Carpenter Risitia

knows because she spies on him occasionally. Just the teeniest, tiniest bit. But when she enlists Red in her mission to rebel, she learns things about him that no spy session could teach her. Like why he clearly resents Chloe's wealthy background. And why he never shows his art to anyone. And what really lies beneath his rough exterior... "This is an extraordinary book, full of love, generosity, kindness and sharp humor." — The New York Times Book Review  
\*Featured on the TODAY Show! Named a Best Romance of 2019 by Entertainment Weekly, Publishers Weekly, Kirkus, Apple, and Amazon, and Best of November from Essence, Woman's Day, Marie Claire, BuzzFeed, Popsugar, Bustle, Bookish, Bookpage, Entertainment Weekly, and Washington Post\*

An experienced physician explains how to combine the best of conventional and complementary medicine with the inner wisdom possessed by every woman to make pregnancy a more rewarding emotional, spiritual, and physical experience and helps women make the personal choices that are right for them. Reprint. 20,000 first printing.

A gay teenage boy and a fragile teenage girl meet while living on the streets of New York City and eventually decide to take a road trip across America to discover whether or not the world is a beautiful place.

"... it will be a 'Number 1 Book Seller' around the world" -Dawn Gouborne- Librarian, Marcus Garvey Library, London "The Taste of Champagne Urge by Lyndon Walters . . . needs to be given credit for attempting an unusual concept . . . The central plot is dreamt up by two brains.

## Download File PDF Becoming His Baby By Chloe Carpenter Risitia

. . The identity of the person in whose head the two brains reside, is a mystery almost till the very end of the novel .The author’s aim with this book is to analyze human behavior . . . definitely worth a read and I would recommend it to all readers”. -Online Book Club “What a fantastic work by Lyndon Walters! I do honestly believe that this huge piece of writing would be turned to a futuristic movie series . . . put together in one of the clearest contrast of writing in relating complex ideas and stories . . . what a perfect way to narrate a story about Man, Love, Relationship, Politics and Ruler- ship in a dramatic and futuristic symbolism”. -Godson Azu - Writer and Commentator, BenTV/Freevoiceradio London “Lyndon Walters debut novel is an unputdownable epic of gargantuan proportions literally and literarily . . . a plot and diversions that take you on a rollercoaster of a narrative that is relentless in its grip . . . To capture what its all about in a précis would be like unlocking the secret of the universe in a sentence . . . Cannot recommend it enough”. -Dotun Adebayo BBC Radio “The author effectively creates an alternate reality and through it challenges the audience to explore the things they often take for granted . . . he cleverly creates a complex and complicated narrative and elevates the genre into one that will resonate with audiences of all stripes . . . several similar books have been adapted and produced into films to both critical and financial successes including The Matrix and Cloud Atlas . . . audiences around the world will one day enjoy The Taste of Champagne Urge”. -Lawrence Koster – Hollywood Treatment Film Screen Writer
