Ben Hogan's Five Lessons is credited with the first definitive description and use of the term "waggle." Hogan first teaches using the hands at address to recreate the intended golf shot. It is preferred over a practice swing. This action adjusts the golfer to the shot and establishes their coordination within the golf swing.

Ben Hogan's Five Lessons Will Simplify Your Golf Swing ...

Introduction In Ben Hogan's Five Lessons: The Modern Fundamentals of Golf, the reader has the opportunity to learn from one of the greatest golfers in the history of the sport. The Five Lessons is a classic in the golfing community and is considered a must-read for anyone looking to improve their game.

Ben Hogan's Five Lessons: The Modern Fundamentals of Golf

In the Five Lessons, Hogan breaks down the swing into four parts: The Fundamentals, The Grip, Stance and Posture, and The Swing.

Ben Hogan - Wikipedia

Ben Hogan's premise in this 1957 classic is driven home in bold letters: "THE AVERAGE GOLFER IS ENTIRELY CAPABLE OF BUILDING A REPEATING SWING AND BREAKING 80." Religions are founded on less, and Hogan's detailed analyses and illustrated demonstrations of grip, stance, posture, and the two basic components of the swing make up a sacred book.

The professional golfer provides tips on the grip, stance, and swing of successful golf shots

A timeless classic with nearly one million copies in print, Ben Hogan's Five Lessons outlines the building blocks of winning golf from one of the all-time masters of the sport fully illustrated with drawings and diagrams to improve your game instantly. Ben Hogan, one of the greatest golfers in the history of the sport, believed that any golfer with average coordination can learn to break eighty if one applies oneself patiently and intelligently. With the techniques revealed in this classic book, you can learn how to make your game work from tee to green, step-by-step and stroke by stroke. In each chapter, a different experience-tested fundamental is explained and demonstrated with clear illustrations as though Hogan were giving you a personal lesson with the same skill and precision that made him a legend. Whether you're a novice player or an experienced pro, Ben Hogan's Five Lessons is a must-have reference for anyone who knows that fundamentals are where champions begin.

Master golfer Ben Hogan (1912-1997) is widely acknowledged as one of the greatest players in the history of the sport, most notably for his legendary ball-striking ability. There are numerous theories as to what made Hogan's swing so effective and in Power Golf, now available in a trade paperback format, he shares a lifetime of championship secrets for improving every phase of the game. Regardless of their level of golfing expertise, readers are guaranteed to see a difference the next time they pick up their club!

Ben Hogan is legendary, intriguing, and mysterious. It's a combination that has contributed to Hogan being the most interesting golfer of all time. Aside from his amazing competitive record, his secretive and solitary personality provoke wonder and devotion among thousands of golfers worldwide who attempt to unlock Hogan's secret code of how to swing a golf club and strike a golf ball. Hogan himself has fueled this intrigue, mainly because he openly declared that he had a "secret," one that he never publicly revealed. Many top professionals have speculated on what they thought Hogan's secret might be, but until now those speculations were not supported by any revelations from Hogan himself. Now, author Larry Miller, who was mentored by Tommy Bolt, who in turn was one of Hogan's protégés, shares Hogan's secret as he learned it. This secret fundamental, which Miller breaks down into two aspects and explains with the aid of full-color photography and illustrations, will help the average golfer implement Hogan's teachings to benefit his or her game.

In 1954, Ben Hogan stated in the serialized lessons he wrote for Life magazine that he had "a secret." He challenged the world to find it by stating "It is easy to see if I tell you where to look." He then wrote his legendary instructional book, Five Lessons, and created a remarkable golf swing puzzle, but somehow one important piece of information was missing. Golf expert after golf expert have attempted to define this secret over the years, serving to compile a rather lengthy list of what they think the secret is but never quite explaining how it's done. Enter Ben Hogan's Magical Device, a revealing book which intends to finally explain, in universally understandable terms, that long-lost secret to Hogan's swing. As a lifelong golfer with 50+ years of experience, two degrees in Physical Education and a Doctorate in History, author Ted Hunt became determined to track down Hogan's secret himself. He reviewed most of the literature concerning Hogan and interviewed many professionals (including Jack Nicklaus) and the result of his research produced a clearer understanding of the source of the confusion concerning Hogan's secret. An hypothesis was conceived and tested, and Hunt was pleased to discover that his analysis stood up to critical examination. But perhaps more importantly, his golf responded with more accuracy and lower scores, which included shooting his age (79) several times within weeks of embracing the secret. Complete with 100 photos/illustrations and a foreword by movie star Sean Connery, Ben Hogan's Magical Device gives an easy-to-follow explanation of Hogan's secret, where it comes from, and the foundations which support its successful execution. Interspersed throughout the text are stories from professional acquaintances who spoke with Hunt about their times with Mr. Hogan.

A collection of wit and wisdom on golf offers practical advice to everyone from golf pros--including Tom Kite, Ben Crenshaw, and Sandra Palmer--to high-handicap amateurs. 20,000 first printing.

Hailed as a classic and read everywhere golf is played, Golf My Way has sold more than 2 million copies worldwide since it was first published in 1974. Finally, Jack Nicklaus, golf's leading master, definitively covers the whole of his game through a lifetime of greatness. Golf My Way presents an all-inclusive, A-to-Z explanation of how this greatest of champions thinks about and plays the game. This book includes: -New introduction, endpiece, and illustrations -Brand-new chapters discussing the changes in Nicklaus's outlook and techniques -Reflections on the differences in tournament golf today compared with when Nicklaus joined the PGA tour in 1962 -Advice on the mental elements of improved playing that are not directly related to ball-striking or shot-making

Analyzes Ben Hogan's golf swing, with information on different types of shots, practice exercise, and the master golfer's life.

Putting is golf's great equalizer, a seemingly simple aspect of the game whose surprising complexity has vexed both amateurs and pros for centuries. But now, for the first time ever, you can learn to putt like the legendary Ben Hogan, the winner of 9 major championships. Recognized by many as the greatest ball-striker and on-target tee-to-green player of all time, Hogan's prowess with the flat stick has often gone unnoticed. But Hogan's proficiency on the greens was like none other when it came to sinking difficult putts under high-stakes tournament conditions. Hogan on the Green presents readers with a comprehensive, illustrated analysis of Hogan's revolutionary system for sinking short-, medium-, and long-range putts on a variety of surfaces. Complete with easy-to-follow instructions for setup and stroke techniques, as well as tips on putting strategy, practice, and mastering the mental game, this book is a unique and invaluable resource for those looking to perfect their putting. With anecdotal recollections and instructional commentary from those who knew Hogan best, including 1964 US Open champion Ken Venturi and Herbert Warren Wind, Hogan's collaborator on his classic 1957 bestseller, Five Lessons, Hogan on the Green also includes a host of practice drills and a special section of putting lessons from renowned golf coach Claude "Butch" Harmon Jr.

Ben Hogan's former ball shagger recounts firsthand stories of the golf legend and reveals, for the first time, Hogan's Swing Secret, a source of mystery to golfers for more than fifty years. Ben Hogan's pro golf record is legendary. A four-time PGA Player of the Year, he celebrated sixty-three tournament wins and became known as a man of few words and fewer close friends. Most of what we know about Hogan has been based on myth and speculation. Until now. In the 1960s, though Hogan's competitive career was over, he kept the practice habits that made him famous and remade modern competitive golf. He hired seventeen-year-old Jody Vasquez to help. Each day, after driving to a remote part of the course at Shady Oaks Country Club, Hogan would spend hours hitting balls and Vasquez would retrieve them. There, and over the course of their twenty-year friendship, Hogan taught Jody the mechanics of his famous swing and shared his thoughts on playing, practicing, and course management unknowingly revealing much about his character, values, and beliefs, and the events that shaped them. In Afternoons with Mr. Hogan, Jody Vasquez shares dozens of stories about Hogan, from the way he practiced, selected his clubs, and interacted with other star players to his little-known humor and generosity. Combining the gentle insight of Tom Kite's A Fairway to Heaven (which recalls Kite's golf education under Harvey Penick) with the sage perspective of Penick's own Little Red Book, Vasquez's tribute is funny, poignant, and full of advice for golfers of all levels.
