This singular collection is nothing less than a political, spiritual, and intensely personal record of America's tumultuous modern age as experienced by the nation's foremost critics, commentators, activists, and artists.

A collection of the year's best essays, selected by award-winning journalist and New Yorker staff writer Kathryn Schulz "The world is abundant even in bad times," guest editor Kathryn Schulz writes in her introduction, "it is lush with interestingness, and always, somewhere, offering up consolation or beauty or humor or happiness, or at least the hope of future happiness." The essays Schulz selected are a powerful time capsule of 2020, showcasing that even if our lives as we knew them stopped, the beauty to be found in them flourished. From an intimate account of nursing a loved one in the early days of the pandemic, to a masterful portrait of grieving the loss of a husband as the country grieved the loss of George Floyd, this collection brilliantly shapes the grief, hardship, and hope of a singular year. The Best American Essays 2021 includes ELIZABETH ALEXANDER - HILTON ALS - GABRIELLE HAMILTON - RUCHIR JOSHI - PATRICIA LOCKWOOD- CLAIRE MESSUD - WESLEY MORRIS - BETH NGUYEN - JESMYN

WARD and others

The National Book Award–winning author compiles a “ thought-provoking volume ” of essays by Joyce Carol Oates, Oliver Sacks, Jaquira Diaz and others (Publishers Weekly). As Jonathan Franzen writes in his introduction, his main criterion for selecting The Best American Essays 2016 “ was whether an author had taken a risk. ” The resulting volume showcases authorial risk in a variety of forms, from championing an unpopular opinion to the possibility of ruining a professional career, or irrevocably alienating one ’ s family. What ’ s gained are essential insights into aspects of the human condition that would otherwise remain concealed—from questions of queer identity, to the experience of a sibling ’ s autism and relationships between students and college professors. The Best American Essays 2016 includes entries by Alexander Chee, Paul Crenshaw, Jaquira Diaz, Laura Kipnis, Amitava Kaumar, Sebastian Junger, Joyce Carol Oates, Oliver Sacks, George Steiner, Thomas Chatterton Williams, and others.

Essays are central to students ’ and teachers ’ development as thinkers in their fields. In *Crafting Presence*, Nicole B. Wallack develops an approach to teaching writing with the literary essay that holds promise for writing students, as well as for achieving a sense of common purpose currently lacking among professionals in composition, creative writing, and literature. Wallack analyzes examples drawn primarily from volumes of The Best American Essays to illuminate the most important quality of the essay as a literary form: the writer ’ s “ presence. ” She demonstrates how accounting for presence provides a flexible and rigorous heuristic for reading the contexts, formal elements, and purposes of essays. Such readings can help students learn writing principles, practices, and skills for crafting myriad presences rather than a single voice. *Crafting Presence* holds serious implications for writing pedagogy by providing new methods to help teachers and students become more insightful and confident readers and writers of essays. At a time when liberal arts education faces significant challenges, this important contribution to literary studies, composition, and creative writing shows how an essay-centered curriculum empowers students to show up in the world as public thinkers who must shape the “ knowledge economy ” of the twenty-first century.

In *Writers Without Borders: Writing and Teaching Writing in Troubled Times*, Lynn Z. Bloom presents groundbreaking research on the nature of essays and on the political, philosophical, ethical, and pragmatic considerations that influence how we read, write, and teach them in times troubled by terrorism, transgressive students, and uses and abuses of the Internet. *Writers Without Borders* reinforces Bloom ’ s reputation for presenting innovative and sophisticated research with a writer ’ s art and a teacher ’ s heart. Each of the eleven essays addresses in its own way the essay itself as one way to live and learn with others.

These thought provoking essays, both classic and current, detail the problems encountered in generating a plausible theory of foreign policy and address international determinants of American foreign policy economic necessity as a driving force behind foreign policy, and ideological and cultural accounts of foreign policy.
