Between Dignity and Despair: Jewish Life in Nazi Germany ...

Answering the charge that Jews should have left earlier, the book shows that far from seeming inevitable, the Holocaust was impossible to foresee precisely because Nazi repression occurred in irregular and unpredictable steps until the massive violence of November 1938.

Between Dignity and Despair: Jewish Life in Nazi Germany ...

Between Dignity and Despair by Marion A. Kaplan is a book about the Jewish people and how they survived in various ways when the Nazi party came to power. The author's purpose in this book was to explain and show the reader how the Jewish people had to change to survive in World War 2 and some of the events leading up to it.

Book Overview Between Dignity and Despair draws on the extraordinary memoirs, diaries, interviews, and letters of Jewish women and men to give us the first intimate portrait of Jewish life in Nazi Germany.

Between Dignity and Despair draws on the extraordinary memoirs, diaries, interviews, and letters of Jewish women and men to give us the first intimate portrait of Jewish life in Nazi Germany. Kaplan tells the story of Jews in Germany not from the hindsight of the Holocaust, nor by focusing on the persecutors, but from the bewildered and ambiguous perspective of Jews trying to navigate their daily lives in a world that was becoming more and more insane. Answering the charge that Jews should have left earlier, Kaplan shows that far from seeming inevitable, the Holocaust was impossible to foresee precisely because Nazi repression occurred in irregular and unpredictable steps until the massive violence of Novemer 1938. Then the flow of emigration turned into a torrent, only to be stopped by the war. By that time Jews had been evicted from their homes, robbed of their possessions and their livelihoods, shunned by their former friends, persecuted by their neighbors, and driven into forced labor. For those trapped in Germany, mere survival became a nightmare of increasingly desperate options. Many took their own lives to retain at least some dignity in death; others went underground and endured the fears of nightly bombings and the even greater terror of being discovered by the Nazis. Most were murdered. All were pressed to the limit of human endurance and human loneliness. Focusing on the fate of families and particularly women's experience, Between Dignity and Despair takes us into the neighborhoods, into the kitchens, shops, and schools, to give us the shape and texture, the very feel of what it was like to be a Jew in Nazi Germany.

Draws on memoirs, diaries, and letters of Jews living in Nazi Germany at the start of the holocaust

Between Dignity and Despair draws on the extraordinary memoirs, diaries, interviews, and letters of Jewish women and men to give us the first intimate portrait of Jewish life in Nazi Germany. Kaplan tells the story of Jews in Germany not from the hindsight of the Holocaust, nor by focusing on the persecutors, but from the bewildered and ambiguous perspective of Jews trying to navigate their daily lives in a world that was becoming more and more insane. Answering the charge that Jews should have left earlier, Kaplan shows that far from seeming inevitable, the Holocaust was impossible to foresee precisely because Nazi repression occurred in irregular and unpredictable steps until the massive violence of Novemer 1938. Then the flow of emigration turned into a torrent, only to be stopped by the war. An award-winning historian presents an emotional history of Jewish refugees bidding their time in Portugal as they attempt to escape Nazi Europe This riveting book describes the experience of Jewish refugees as they fled Hitler to live in limbo in Portugal until they could reach safer havens abroad. Drawing attention not only to the social and physical upheavals of refugee life, Kaplan highlights their feelings as they fled their homes and histories while begging strangers for kindness. An emotional history of fleeing, this book probes how specific locations touched refugees' inner lives, including the borders they nervously crossed or the overcrowded transatlantic ships that signaled their liberation.

Describes the life of Jewish middle-class women in Wilhelmine Germany. Pp. 148-152, "Anti-Semitism in the University, " state that until about 1905 women students, discriminated against because of their sex, tended to show solidarity by forming organizations open to all, in contrast to the segregated male students' organizations. Russian Jewish women were especially despised, even by German Jewish male students. Pp. 182-185 describe discrimination against Jewish teachers, noting that their chances of employment were highly limited. See also the index under "Anti-Semitism."

Though many of the details of Jewish life under Hitler are familiar, historical accounts rarely afford us a real sense of what it was like for Jews and their families to live in the shadow of Nazi Germany¶s oppressive racial laws and growing violence. With Jews in Nazi Berlin, those individual lives¶and the constant struggle they required¶come fully into focus, and the result is an unprecedented and deeply moving portrait of a people. Drawing on a remarkably rich archive that includes photographs, objects, official documents, and personal papers, the editors of Jews in Nazi Berlin have assembled a multifaceted picture of Jewish daily life in the Nazi capital during the height of the regime¶s power. The book¶s essays and images are divided into thematic sections, each representing a different aspect of the experience of Jews in Berlin, covering such topics as emigration, the yellow star, Zionism, deportation, betrayal, survival, and more. To supplement¶and, importantly, to humanize¶the comprehensive documentary evidence, the editors draw on an extensive series of interviews with survivors of the Nazi persecution, who present gripping first-person accounts of the innovation, subterfuge, resilience, and luck required to negotiate the increasing brutality of the regime. A stunning reconstruction of a storied community as it faced destruction, Jews in Nazi Berlin renders that loss with a startling immediacy that will make it an essential part of our continuing attempts to understand World War II and the Holocaust.

A study of Jewish life in Germany from 1618 until 1945, this work investigates the details of daily living, the homes and neighbourhoods in which Jews lived, their families and friendships, religious practices and feelings, as well as their educations and occupations.

Aufbau¶a German-language weekly, published in New York and circulated nationwide¶was an essential platform for the generation of refugees from Hitler and the displaced people and concentration camp survivors who arrived in the United States after the war. The publication served to link thousands of readers looking for friends and loved ones in every part of the world. In its pages Aufbau focused on concerns that strongly impacted this community in the aftermath of World War II: anti-Semitism in the United States and in Europe, the ever-changing immigration and naturalization procedures, debates about the designation of Hitler refugees as enemy aliens, questions about punishment for the Holocaust and other Nazi crimes, the struggle for compensation and restitution, and the fight for a Jewish homeland. The book examines the columns and advertisements that chronicled the social and cultural life of that generation and maintained a detailed account of German-speaking cultures in exile. Peter Schrag is the first to present a definitive account of the influential publication that brought postwar refugees together and into the American mainstream.

A family's recently discovered correspondence provides the inspiration for this fascinating and deeply moving account of Jewish family life before, during and after the Holocaust. Rebecca Boehling and Uta Larkey reveal how the Kaufmann-Steinberg family was pulled apart under the Nazi regime and dispersed over three continents. The family's unique eight-way correspondence across two generations brings into sharp focus the dilemma of Jews in Nazi Germany facing the painful decisions of when, if and to where they should emigrate. The authors capture the family members' fluctuating emotions of hope, optimism, resignation and despair as well as the day-to-day concerns, experiences and dynamics of family life despite increasing persecution and impending deportation. Headed by two sisters who were among the first female business owners in Essen, the family was far from conventional and their story contributes new dimensions to our understanding of Jewish life in Germany and in exile during these dark years.
