A New York Review Books Original Hav is like no place on earth. Rumored to be the site of Troy, captured during the crusades and recaptured by Saladin, visited by Tolstoy, Hitler, Grace Kelly, and Princess Diana, this Mediterranean city-state is home to several architectural marvels and an annual rooftop race that is a feat of athleticism and insanity. As Jan Morris guides us through the corridors and quarters of Hav, we hear the mingling of Italian, Russian, and Arabic in its markets, delight in its famous snow raspberries, and meet the denizens of its casinos and caf é s. When Morris published Last Letters from Hav in 1985, it was short-listed for the Booker Prize. Here it is joined by Hav of the Myrmidons, a sequel that brings the story up-to-date. Twenty-first-century Hav is nearly unrecognizable. Sanitized and monetized, it is ruled by a group of fanatics who have rewritten its history to reflect their own blinkered view of the past. Morris ' s only novel is dazzlingly sui-generis, part erudite travel memoir, part speculative fiction, part cautionary political tale. It transports the reader to an extraordinary place that never was, but could well be.

Based on Mr Hudson's identity, the book is featuring destinations for gays, but not necessarily gay destinations. It is about travelling in style for everyone who is looking for something different and special - no matter if men or women, travelling solo or as a couple. Mr Hudson Explores shows that every part of a trip is an incredible experience. The core content of the book will consist of 20 cities in the Northern Hemisphere and showcases the very best the destination has to offer. Each guide will give a general introduction to the city and, if applicable, its relevance for the gay community. It showcases various locations on culture and art, the most inspiring museum to visit, traditional and upcoming food places, best shopping experiences, music and nightlife: Where to go out, which bars do have the best drinks, and clubs you can have the most fun at the city's best parties and concerts. Depending on the location, day trips and activities can be included. Luxury accommodations and places to stay complete the range. The book will not just give descriptions of the places but also background information, telling the story of the owner, history or anecdotes.

Opportunities and optimism in Aging. Issues in Aging, 3rd edition takes an optimistic view of aging and human potential in later life. This book presents the most up-to-date facts on aging today, the issues raised by these facts, and the societal and individual responses that will create a successful old age for us all. Mark Novak presents the full picture of aging--exhibiting both the problems and the opportunities that accompany older age. The text illustrates how generations are dependent on one another and how social conditions affect both the individual and social institutions. Learning Goals -Upon completing this book, readers will be able to: -Understand how large-scale social issues--social attitudes, the study of aging, and demographic issues--affect individuals and social institutions -Identify the political responses to aging and how individuals can create a better old age for themselves and the people they know -Separate the myths from the realities of aging -Recognize the human side of aging -Trace the transformation of pension plans, health, and opportunities for personal expression and social engagement to the new ecology of aging today

"...profoundly moving..." -Publishers Weekly Nelson Mandela ' s two great-grandchildren ask their grandmother, Mandela ' s youngest daughter, 15 questions about their grandad — the global icon of peace and forgiveness who spent 27 years in prison. They learn that he was a freedom fighter who put down his weapons for the sake of peace, and who then became the President of South Africa and a Nobel Peace Prize-winner, and realise that they can continue his legacy in the world today. Seen through a child ' s perspective, and authored jointly by Nelson Mandela's great-grandchildren and daughter, this amazing story is told as never before to celebrate what would have been Nelson's Mandela 100th birthday.
