I can't even imagine how disappointing it would be for a little kid of African heritage to open this book and find that you never see in the pictures that Black Panther has dark skin like he does. Otherwise it was a typical Golden Book, fun story, action scenes, but come on we can do better. 35 people found this helpful

In Black Panther: Warriors of Wakanda (\$5), kids will meet T'Challa, his sister Shuri, the warrior Okoye, and other Wakandan warriors. An earlier Black Panther Little Golden Book was criticized for only showing T'Challa with his mask, but this book teaches kids that heroes come in all colours.

This is a nice book for preschoolers who love super heroes and Black Panther in particular. Since he is obviously too small for the movie, we have used the Little Golden Books for a good age-appropriate way to learn about the super heroes he likes. The Thor one is a favorite in our house. This one is good and is still very age appropriate.
