A Blues Bibliography, Second Edition is a revised and enlarged version of the definitive blues bibliography first published in 1999. Material previously omitted from the first edition has now been included, and the bibliography has been expanded to include works published since then. In addition to biographical references, this work includes entries on the history and background of the blues, instruments, record labels, reference sources, regional variations and lyric transcriptions and musical analysis. The Blues Bibliography is an invaluable guide to the enthusiastic market among libraries specializing in music and African-American culture and among individual blues scholars.

A poet rediscovers the artistic passion of her youth—and pays tribute to the teacher she thought she 'd lost. After thirty-five years as an " on-again, off-again, uncoached closet pianist," poet and writer Robyn Sarah picked up the phone one day and called her old piano teacher, whom she had last seen in her early twenties. Music, Late and Soon is the story of her return to studying piano with the mentor of her youth. In tandem, she reflects on a previously unexamined musical past: a decade spent at Quebec 's Conservatoire de Musique, studying clarinet—ostensibly headed for a career

as an orchestral musician, but already a writer at heart. A meditation on creative process in both music and literary art, this two-tiered musical autobiography interweaves past and present as it tracks the author's long-ago defection from a musical career path and her late re-embrace of serious practice. At its core is a portrait of an extraordinary piano teacher and of a relationship remembered and renewed.

A musician looks at Wonder's life and career and explores the artist's writing and performing techniques with special emphasis on his early 1970s recordings.

It's Easy to Play Boogie-Woogie is a fabulous collection of simplified, easy-to-read arrangements of 20 popular songs in the Boogie-Woogie style for Piano - Perfect for the beginner pianist looking to bolster their repertoire and improve their playing. Song List: - Alright Okay You Win - Blue Suede Shoes - Brazilian Love Song - Catch A Falling Star - Cinderella Rockafella - Cuanto Le Gusta - Frankie And Johnny - Green Green Grass Of Home - He's Got The Whole World In His Hand - He's Got The Whole World In His Hands - Jailhouse Rock - King Of The Road - Never On A Sunday - Night Train - Proud Mary - Ramblin' Rose - Release Me - Spanish Harlem - The Last Round Up - When The Saints Go Marching In

The Story of Boogie-Woogie: A Left Hand Like God examines the socio-historical background of the boogie-woogie piano style, from its early appearances in the barrelhouses of lumber, turpentine, and railroad camps in the southern United States, to its emergence at rent parties in Chicago and St. Louis, to its rise as a popular form of music in the nightclubs of New York, to its status as an international craze during World War II. In this enhanced revision of A Left Hand Like God, Peter J. Silvester presents a comprehensive history of boogie-woogie, describing the style's appearance and development, its offshoots, and the pianists who made it famous, and studying its impact on rhythm and blues, urban blues, and big band swing, leading to the eventual revival of 'classical' boogie-woogie in concerts and festivals. Silvester discusses significant European and American pianists of boogie-woogie throughout history, providing biographical information about their life styles and musical influences and offering an analysis of their important recordings. The book also includes a new chapter on the contribution of national and independent record companies to the recording of boogie-woogie music. A thorough bibliography and a final appendix providing many of the bass patterns common in boogie-woogie make this a valuable reference.

Reading Portland is a literary exploration of the city's past and present. In over eighty selections, Portland is revealed through histories, memoirs, autobiographies, short stories, novels, and news reports. This single volume gives voice to women and men; the colonizers and the colonized; white, Hispanic, African American, Asian American, and Indian storytellers; and lower, middle, and upper classes. In his introduction, John Trombold considers the history of writing about a place that has nourished a provocative and errant literary tradition for over 150 years. In the preface, Peter Donahue considers the influence of region--particularly Portland's urbanity and its hybrid population--on literature. Included here are the voices of Carl Abbott, Kathryn Hall Bogle, Beverly Cleary, Robin Cody, Lawson Fusao Inada, Rudyard Kipling, Ursula K. Le Guin, Joaquin Miller, Sandy Polishuk, Gary Snyder, Kim Stafford, Elizabeth Woody, and many more.

The essays contained in this volume address some of the most visible, durable and influential of African American musical styles as they developed from the mid-1960s into the 21st-century. Soul, funk, pop, R&B and hip hop practices are explored both singly and in their many convergences, and in writings that have often become regarded as landmarks in black musical scholarship. These works employ a wide range of methodologies, and taken together they show the themes and concerns of academic black musical study developing over three decades. While much of the writing here is focused on music and musicians in the United States, the book also documents important and emergent trends in the study of these styles as they have spread across the world. The volume maintains the original publication format and pagination of each essay, making for easy and accurate cross-reference and citation. Tom Perchards introduction gives a detailed overview of the books contents, and of the field as a whole, situating the present essays in a longer and wider tradition of African American music studies. In bringing together and contextualising works that are always valuable but sometimes difficult to access, the volume forms an excellent introductory resource for university music students and researchers.

A wonderful selection of easy-to-medium piano solos, in both blues and boogie styles, including "Cotton Mill Blues" and "Whistling the Blues." These pieces have been arranged and edited by Denes Agay and Gerald Martin.

Experiencing Jazz, Second Edition, is an integrated textbook with online resources for jazz appreciation and history courses. Through readings, illustrations, timelines, listening guides, and a streaming audio library, it immerses the reader in a journey through the history of jazz, while placing the music within a larger cultural and historical context. Designed to introduce the novice to jazz, Experiencing Jazz describes the elements of music, and the characteristics and roles of different instruments. Prominent artists and styles from the roots of jazz to present day are relayed in a story-telling prose. This new edition features expanded coverage of women in jazz, the rise of jazz as a world music, the influence of Afro-Cuban and Latin jazz, and streaming audio. Features: Important musical trends are placed within a broad cultural, social, political, and economic context Music fundamentals are treated as integral to the understanding of jazz, and concepts are explained easily with graphic representations and audio examples Comprehensive treatment chronicles the roots of jazz in African music to present day Commonly overlooked styles, such as orchestral jazz, Cubop, and third-stream jazz are included Expanded and up-to-date coverage of women in jazz The media-rich companion website presents a comprehensive streaming audio library of key jazz recordings by leading artists integrated with interactive listening guides. Illustrated musical concepts with web-based tutorials and audio interviews of prominent musicians acquaint new listeners to the sounds, styles, and figures of jazz. Course components The complete course comprises the textbook and Online Access to Music token, which are available to purchase separately. The textbook and Online Access to Music Token can also be purchased together in the Experiencing Jazz Book and Online Access to Music Pack. Book and Online Access to Music Pack: 978-0-415-65935-2 (Paperback and Online Access to Music) Book Only: 978-0-415-69960-0 (please note this does not include the Online Access to Music) Online Access to Music Token: 978-0-415-83735-4 (please note this does not include the textbook) eBook and Online Access to Music Pack: 978-0-203-37981-3 (available from the Taylor & Francis eBookstore) ebook:
