about stories: the ones we tell, the ones we keep hidden, and the ones that we ' ll do anything to ensure they stay buried. When literary agent Peter Katz receives a partial book submission entitled *The Book of Mirrors*, he is intrigued by its promise and original voice. The author, Richard Flynn, has written a memoir about his time as an English student at Princeton in the late 1980s, documenting his relationship with the protégée of the famous Professor Joseph Wieder. One night just before Christmas 1987, Wieder was brutally murdered in his home. The case was never solved. Now, twenty-five years later, Katz suspects that Richard Flynn is either using his book to confess to the murder, or to finally reveal who committed the violent crime. But the manuscript ends abruptly—and its author is dying in the hospital with

the missing pages nowhere to be found. Hell-bent on getting to the bottom of the story, Katz hires investigative journalist John Keller to research the murder and reconstruct the events for a true crime version of the memoir. Keller tracks down several of the mysterious key players, including retired police detective Roy Freeman, one of the original investigators assigned to the murder case, but he has just been diagnosed with early-onset Alzheimer ' s. Inspired by John Keller ' s investigation, he decides to try and solve the case once and for all, before he starts losing control of his mind. A trip to the Potosi Correctional Centre in Missouri, several interviews, and some ingenious police work finally lead him to a truth that has been buried for over two decades...or has it? A political thriller about sexual misconduct in the #MeToo era, one victim ' s battle to survive and overcome trauma, and the cable news machine that feeds off titillating scandal coverage and inflammatory confrontation, Final Table draws upon Dan Schorr ' s firsthand experience as a New York sex crimes prosecutor and sexual misconduct investigator to tackle the worlds of political and media dysfunction. Former White House staffer Maggie Raster is struggling to build her own consulting firm and overcome a recent sexual assault by an ex-boss. Kyler Dawson, a broke former poker champion, desperately needs to gain entry into a controversial but potentially very lucrative international poker tournament. The host nation faces widespread condemnation for the

recent murder of a prominent female US journalist, and a pending presidential executive order threatens to prohibit him and others from participating. Maggie ' s chaotic first attempt to promote her new business as a television political analyst brings her to Kyler ' s attention, and convinces him that her political smarts and connections can provide the help he needs. When he approaches her for assistance, she must decide whether to agree—in return for a portion of the potential \$20 million prize. To succeed, she will have to confront significant adversity—personal and political, foreign and domestic—including mounting pressure to publicly address the misconduct of her former boss. Kyler also has his own obstacles and upsetting past to overcome, but if they each can outmaneuver their daunting challenges,

A masterful tale of ambition, jealousy, desire, and superpowers. Victor and Eli started out as college roommates—brilliant, arrogant, lonely boys who recognized the same sharpness and ambition in each other. In their senior year, a shared research interest in adrenaline, near-death experiences, and seemingly supernatural events reveals an intriguing possibility: that under the right conditions, someone could develop extraordinary abilities. But when their thesis moves from the academic to the experimental, things go horribly wrong. Ten years later, Victor breaks out of prison, determined to catch up to his old

friend (now foe), aided by a young girl whose reserved nature obscures a stunning ability. Meanwhile, Eli is on a mission to eradicate every other super-powered person that he can find—aside from his sidekick, an enigmatic woman with an unbreakable will. Armed with terrible power on both sides, driven by the memory of betrayal and loss, the archnemeses have set a course for revenge—but who will be left alive at the end? In *Vicious*, V. E. Schwab brings to life a gritty comic-book-style world in vivid prose: a world where gaining superpowers doesn't automatically lead to heroism, and a time when allegiances are called into question. "A dynamic and original twist on what it means to be a hero and a villain. A killer from page one...highly recommended!" —Jonathan Maberry, New York Times bestselling author of

Blue Earth is a compelling novel of Minnesota, a land that guards its secrets. Carver Heinz loses both farm and family in the farm crisis of the 1980s. Displaced into urban Minneapolis, he becomes obsessed with Angie, a beautiful child he rescues from a tornado in an encounter he insists they keep silent. Her close friendship with a Dakota Indian boy fuels Carver's rage and unleashes a series of events that reveal the haunting power of each character's past and of their shared histories, especially the 1862 Dakota Conflict

which obsession can drive us. People disappear when they most want to be seen. Jess Walker has come to a concrete campus under the flat gray skies of East Anglia for one reason: to be taught by the mesmerizing and rebellious Dr. Lorna Clay, whose seminars soon transform Jess's thinking on life, love, and Agatha Christie. Swept up in Lorna's thrall, Jess falls in with a tightly knit group of rule-breakers--until the dynamic among the friends begins to darken. When a tragedy shatters their friendships and love affairs and reveals a terrible secret, Jess must face the question she fears most: What is the true cost of an extraordinary life?

assignment, when she is called back to the family home of Hunters Reach in the picturesque Adelaide Hills. Her ailing grandmother, who raised her when she was orphaned as a child, has always been a formidable figure in her life, and this is hardly a welcome summons. When Meg arrives at the ramshackle old homestead, she learns that the place is up for sale. She is expected to care for the property with its extensive garden, while packing up the contents of the house. As she begins the arduous work of bringing the grand old homestead back to its former glory, she is forced to examine the question that has plagued her all her life - why nobody loved her as a child. As the house unfolds the history of an earlier age, it also spills out secrets Meg had never imagined - in particular, the discovery of an aunt she never

knew, her mother's twin sister, Iris. The discovery brings horror in its wake, as Meg learns the secrets of the missing girl and the truth behind a wicked heart where love simply never existed. The more she uncovers, the more questions she has. With her grandmother unwilling to share what she knows, Meg must seek out the truth for herself. Set against the stunning backdrop of the Australian bush in summer, with the ever-present threat of bushfire at its back, this is a highly evocative story of secrets and betrayal from the bestselling author of Croc Country.
