~~My Name is Memory—Ann Brashares—Google Books~~

My Name is Memory is a novel written in 2010 by Ann Brashares, author of the best-selling young adult series The Sisterhood of the Traveling Pants. The novel is centered on a mysterious young boy named Daniel, and Sophia, the girl he has spent lifetimes searching for; as he races against time to spur her lost memories of him before his vengeful, centuries-old brother Joaquim finds them. The story has been optioned for film.

~~My Name Is Memory—Wikipedia~~

Daniel has "the memory", the ability to recall past lives and recognize souls of those he's previously known. It is a gift and a curse. For all the times that he and Sophia have been drawn together throughout history, they have also been torn painfully, fatally, apart. A love always too short.

Courtney Webb. Ann Brashares' latest novel, My Name Is Memory, is the perfect melding of historical and contemporary fiction. As the saga of lovers doomed to meet and be torn apart throughout history, it offers both the modern love story mixed with the magical writings of days past. Brashares proves herself not only a true storyteller, but also a gifted writer able to turn research into reality on the page while still keeping readers engaged in present day.

My Name is Memory is an excellent book until the ending which was the worst ending of any book that I have read in 44 years of reading. The ending was written as a cliffhanger to a sequel which has never been published. I know that the book did not do well enough to publish a sequel but in this day and age Anne could do a self-published book.

~~30+ quotes from My Name Is Memory by Ann Brashares~~

My Name is Memory (Unabridged) I really enjoyed this book. It had a lot of detail and brought you right into the story. It made you feel the feelings in the book. The test of a good writer. It is definately a love story. The ending certainly left the possibility for a sequel. I hope and look forward to a sequel.

author of *The Sisterhood of the Traveling Pants*, a magical story of reincarnation and a love that lasts more than a lifetime Daniel has spent centuries falling in love with the same girl. Life after life, crossing continents and dynasties, he and Sophia (despite her changing name and form) have been drawn together-and he remembers it all. For all the times that he and Sophia have been connected throughout history, they have also been torn painfully, fatally, apart. But just when Sophia (now "Lucy" in the present) finally awakens to the secret of their shared past, the mysterious force that has always separated them reappears. Ultimately, they must come to understand what stands in the way of their love if they are ever to spend a lifetime together.

Daniel tells me that he's always loved me. That I feel the same. That I always have. Not just in this life, but in my last life, and all my lives before. But I don't remember him. He says he is always searching for me. Always hoping that one day I will remember. But it is only he that carries the memory of our love. I know that finding true love is never easy. Perhaps you have fought for it. Perhaps, like Daniel, you have endured the pain of it being unrequited. But I hope your quest ends happily. I hope you never have to face the heartbreak that inevitably awaits us. This is our extraordinary, unforgettable story.

From the New York Times-bestselling author of *The Sisterhood of the Traveling Pants* Ann Brashares comes her first adult novel In the town of Waterby on Fire Island, the rhythms and rituals of summer are sacrosanct: the ceremonial arrivals and departures by ferry; yacht club dinners with terrible food and breathtaking views; the virtual decree against shoes; and the generational parade of sandy, sun-bleached kids, running, swimming, squealing, and coming of age on the beach. Set against this vivid backdrop, *The Last Summer (of You and Me)* is the enchanting, heartrending story of a beach-community friendship triangle and summertime romance

Online Library Books My Name Is Memory

Ann Brashares Now

among three young adults for whom summer and this place have meant everything. Sisters Riley and Alice, now in their twenties, have been returning to their parents' modest beach house every summer for their entire lives. Petite, tenacious Riley is a tomboy and a lifeguard, always ready for a midnight swim, a gale-force sail, or a barefoot sprint down the beach. Beautiful Alice is lithe, gentle, a reader and a thinker, and worshipful of her older sister. And every summer growing up, in the big house that overshadowed their humble one, there was Paul, a friend as important to both girls as the place itself, who has now finally returned to the island after three years away. But his return marks a season of tremendous change, and when a simmering attraction, a serious illness, and a deep secret all collide, the three friends are launched into an unfamiliar adult world, a world from which their summer haven can no longer protect them. Ann Brashares has won millions of fans with her blockbuster series, *The Sisterhood of the Traveling Pants*, in which she so powerfully captured the emotional complexities of female friendship and young love. With *The Last Summer (of You and Me)*, she moves on to introduce a new set of characters and adult relationships just as true, endearing, and unforgettable. With warmth, humor, and wisdom, Brashares makes us feel the excruciating joys and pangs of love—both platonic and romantic. She reminds us of the strength and sting of friendship, the great ache of loss, and the complicated weight of family loyalty. Thoughtful, lyrical, and tremendously moving, *The Last Summer (of You and Me)* is a deeply felt celebration of summer and nostalgia for youth.

They tell me that my memory will never be the same, that I'll start forgetting things. At first just a little, and then a lot. So I'm writing to remember. Sammie McCoy is a girl with a plan: graduate at the top of her class and get out of her small town as soon as possible. Nothing will stand in her way--not even the rare genetic disorder the doctors say will slowly steal her memories and then her health.

Online Library Books My Name Is Memory

Ann Brashares Now

So the memory book is born: a journal written to Sammie's future self, so she can remember everything from where she stashed her study guides to just how great it feels to have a best friend again. It's where she'll record every perfect detail of her first date with longtime-crush Stuart, a gifted young writer home for the summer. And where she'll admit how much she's missed her childhood friend Cooper, and the ridiculous lengths he will go to make her laugh. The memory book will ensure Sammie never forgets the most important parts of her life--the people who have broken her heart, those who have mended it--and most of all, that if she's going to die, she's going to die living. This moving and remarkable novel introduces an inspiring character you're sure to remember, long after the last page.

The story that you have asked me to tell you does not begin with the pitiful ugliness of Lloyd's death. It begins on a long-ago day in August when the sun seared my blistered face and I was nine years old and my father and mother sold me to a strange man. Memory, the narrator of Petina Gappah's *The Book of Memory*, is an albino woman languishing in Chikurubi Maximum Security Prison in Harare, Zimbabwe, after being sentenced for murder. As part of her appeal, her lawyer insists that she write down what happened as she remembers it. The death penalty is a mandatory sentence for murder, and Memory is, both literally and metaphorically, writing for her life. As her story unfolds, Memory reveals that she has been tried and convicted for the murder of Lloyd Hendricks, her adopted father. But who was Lloyd Hendricks? Why does Memory feel no remorse for his death? And did everything happen exactly as she remembers? Moving between the townships of the poor and the suburbs of the rich, and between past and present, the 2009 Guardian First Book Award-winning writer Petina Gappah weaves a compelling tale of love, obsession, the relentlessness of fate, and the treachery of memory.

Ann Brashares Now

An exploration of life at the margins of history from one of Russia's most exciting contemporary writers. With the death of her aunt, the narrator is left to sift through an apartment full of faded photographs, old postcards, letters, diaries, and heaps of souvenirs: a withered repository of a century of life in Russia. Carefully reassembled with calm, steady hands, these shards tell the story of how a seemingly ordinary Jewish family somehow managed to survive the myriad persecutions and repressions of the last century. In dialogue with writers like Roland Barthes, W. G. Sebald, Susan Sontag, and Osip Mandelstam, *In Memory of Memory* is imbued with rare intellectual curiosity and a wonderfully soft-spoken, poetic voice. Dipping into various forms—essay, fiction, memoir, travelogue, and historical documents—Stepanova assembles a vast panorama of ideas and personalities and offers an entirely new and bold exploration of cultural and personal memory.

Sixteen-year-old Erin Misrahe just wants to be like everyone else in her new school. But Erin has more to worry about than passing AP Chemistry or making friends. In times of stress, she has always been overcome by her alter ego, Shevaun, whose violent behavior wreaks havoc on those around her. Erin can never remember anything about these episodes, and she's grateful to have been spared them for a while. But when a protective friend comes back into Erin's life, he insists that Shevaun is a vampire who actually exists apart from Erin. Shevaun has dangerous allies, like the handsome witch Adjila—and they're determined to sever Shevaun's connection to Erin once and for all.

NEW YORK TIMES BESTSELLER • A fascinating exploration of the intricacies of how we remember, why we forget, and what we can do to protect our memories, from the Harvard-trained neuroscientist and bestselling author of *Still Alice*. “Using her expertise as a neuroscientist and her gifts as a storyteller, Lisa Genova explains the nuances of human memory”—Steven Pinker,

Online Library Books My Name Is Memory

Ann Brashares Now

Johnstone Professor of Psychology, Harvard University, author of *How the Mind Works* Have you ever felt a crushing wave of panic when you can't for the life of you remember the name of that actor in the movie you saw last week, or you walk into a room only to forget why you went there in the first place? If you're over forty, you're probably not laughing. You might even be worried that these lapses in memory could be an early sign of Alzheimer's or dementia. In reality, for the vast majority of us, these examples of forgetting are completely normal. Why? Because while memory is amazing, it is far from perfect. Our brains aren't designed to remember every name we hear, plan we make, or day we experience. Just because your memory sometimes fails doesn't mean it's broken or succumbing to disease. Forgetting is actually part of being human. In *Remember*, neuroscientist and acclaimed novelist Lisa Genova delves into how memories are made and how we retrieve them. You'll learn whether forgotten memories are temporarily inaccessible or erased forever and why some memories are built to exist for only a few seconds (like a passcode) while others can last a lifetime (your wedding day). You'll come to appreciate the clear distinction between normal forgetting (where you parked your car) and forgetting due to Alzheimer's (that you own a car). And you'll see how memory is profoundly impacted by meaning, emotion, sleep, stress, and context. Once you understand the language of memory and how it functions, its incredible strengths and maddening weaknesses, its natural vulnerabilities and potential superpowers, you can both vastly improve your ability to remember and feel less rattled when you inevitably forget. You can set educated expectations for your memory, and in doing so, create a better relationship with it. You don't have to fear it anymore. And that can be life-changing.

You can pay a terrible price for keeping a promise... Evelyn Taylor-Clarke sits in her chair at Forest Lawns Care Home in the heart of the English countryside, surrounded by residents with minds not as

Online Library Books My Name Is Memory

Ann Brashares Now

sharp as hers. It would be easy to dismiss Evelyn as a muddled old woman, but her lipstick is applied perfectly, and her buttons done up correctly. Because Evelyn is a woman with secrets and Evelyn remembers everything. She can never forget the promise she made to the love of her life, to discover the truth about the mission that led to his death, no matter what it cost her... When Evelyn's niece Pat opens an old biscuit tin to find a photo of a small girl with a red ball entitled 'Liese, 1951' and a passport in another name, she has some questions for her aunt. And Evelyn is transported back to a place in Germany known as 'The Forbidden Village,' where a woman who called herself Eva went where no one else dared, amongst shivering prisoners, to find the man who gambled with her husband's life... A gripping, haunting and compelling read about love, courage and betrayal set in the war-battered landscape of Germany. Fans of *The Letter*, *The Alice Network* and *The Nightingale* will be hooked. Readers are hooked on *My Name is Eva*: 'Could not put this book down, and heaven help anyone that tried to disturb my reading !!...I absolutely loved this book !...I laughed, I cried, I cheered , I sympathized all because of Evelyn...I could so picture the setting and as Evelyn sets out to fool everyone, I thought you go girl !!...I don't want to say anything else but what a fantastic read... I can't recommend this book enough !!' Goodreads Reviewer, 5 stars 'What a magnificent read! Eva is amazing. One of the best characters in a book EVER! What a fantastic, beautiful, heart-wrenching tale, incredibly told. I absolutely loved every single page. I sat for the last 20% of the book in tears, sad but happy tears. An absolutely beautiful book.' Kim the Bookworm, 5 stars 'A poignant and evocative story of love, betrayal and bravery that kept me page turning and completely engrossed from start to finish. Loved it and would definitely recommend.' NetGalley Reviewer, 5 stars 'A phenomenal story of courage, love, murder and all the atrocities that go with war. Eva is an extraordinary character, strong, loyal, smart, funny, loving, and brave.A phenomenal read!!!' Goodreads Reviewer, 5 stars 'This may be my new favorite

Online Library Books My Name Is Memory Ann Brashares Now

book!!!! I absolutely love the premise of the heroine faking dementia in her retirement home to cover up her knowledge of (and possible involvement in) questionable activities centering around WWII events. The tempo of this novel was perfect--kept me wondering until the very last page!' Goodreads Reviewer, 5 stars 'Absolutely loved this book and its riveting plot!... The author has successfully penned a debut novel that I would highly recommend without any hesitation. An excellent debut novel from Suzanne Goldring and I look forward to reading more of her work. Historical fiction is my favourite genre to read and this book was every bit as good as some of the well-known WW2-themed titles published in recent years.' Goodreads Reviewer, 5 stars 'This book was excellent! Totally kept my attention and I wanted to find out what would become of the main characters. Highly recommended.' Goodreads Reviewer, 5 stars 'Everything about this book is amazing. I love the main character Eva, the way the author integrates the past with the present, and the emotional plot that kept me hooked from the beginning to the end. I've read over 30 historical fiction novels in the past year and this one is definitely in my top 10.' Netgalley Reviewer, 5 stars 'My Name is Eva is laugh out loud funny, sad in parts and had me glued to the pages... Wham!... I did not see "that" coming. Oh, the secrets Evelyn has!!!' Goodreads Reviewer, 5 stars 'This book is haunting and moving and told in a way that had me engaged in the story from the start. Recommended!' The Princess and the Pen, 5 stars 'This book had me hooked from the start....and because my grandparents are currently in assisted-living facilities, Evelyn's time in her assisted-living resonated with my heart. I loved her sassy, snarky personality and being privileged to see the inner workings of her mind. And I loved the love letters between she and her husband during WWII. I am excited to read all of Goldring's works! This is the first book of hers I've read, and it won't be the last!' The Book Distiller, 5 stars 'This novel had me hooked from the very first page! I always enjoy delving into historical fiction novels and My Name is Eva is the

Online Library Books My Name Is Memory Ann Brashares Now

perfect example of why! This riveting book time hops between the 1940's, 1980's and present day (2016) to tell the tale of Evelyn Taylor-Clarke's life. Suzanne Goldring does a fantastic job with the pacing of this novel, I sometimes find historical fictions can get a little dry, but there wasn't any parts that I felt lagged—love that! The storyline was incredibly moving and depth filled! Evelyn is a character that will definitely stay with me!' Steph and Chris's Book Review, 5 stars

On alternating weeks, Sasha and Ray vacation in the beach house their parents refused to give up after their divorce, but they never meet until one summer when their lives and those of their siblings intersect in ways none of them could have imagined.
