Get Free Braque Peintures 1909 1947

This study confronts Proust's underlying search to explain through literature the meaning of the human self. It deals with Proust's creative silence from an aesthetic-philosophical point of view by comparing him with Merleau-Ponty, Claudel, Braque, Marcel, St. Bonaventure, and St. Augustine.

The first comprehensive research guide and bibliography to the literature of Braque, this volume includes more than 1,100 entries and much more.

With the Jungian term of the complex the present volume inquires about the making of the artistic persona in

Get Free Braque Peintures 1909 1947

twentieth-century photography. The articles examine photographic (self-)portraits, the dynamics between self-statements of artists and photographers, the interrelations of photography, of painting and of performance art and investigate their origins in the history of ideas. The volume traces a portrait of photography as a metascience; as preparatory work, a source of inspiration and an alternate medium in which artists could explore different subjects. With essays by Ulrike Blumenthal, Till Cremer, Victoria Fleury, Jadwiga Kamola, Weronika Kobylińska-Bunsch, Nadja Köffler, Constance Krüger, Wilma Scheschonk, Gerd Zillner.

Features almost 200 illustrations in colour and black and
