Just breathe, breathe! There'll be days you're gonna realize
That your skepticism is cutting you down to size Save your
selfhood from getting runneth Just breathe, breathe! That one
morning when you're awake And you find yourself capable of
recognizing the fake Scare not the notion of life unneath Just
breathe, breathe!

Just Breathe Normally opens with a traumatic accident. Shattered perceptions and shards of narrative recount the events, from wreck through recovery and beyond. In lyric prose, the stories spiral back through generations to touch on questions of mortality and family, immigration and migration, legacies intended or inflicted. In the wake of her near-fatal cycling collision, Peggy Shumaker searches for meaning within extremity. Through a long convalescence, she re-evaluates her family's past, treating us to a meditation on the meaning of justice and the role of love in the gruelling process of healing. Her book, a moving memoir of childhood

and family, testifies to the power of collective empathy in the transformations that make and remake us throughout our lives. Shumaker crafts language unlike anyone else, language at once poetic and profound. Her memoir enacts our human desire to understand the fragmented self. We see in practice the power of words to restore what medical science cannot: the fragile human psyche and its immense capacity for forgiveness.

REVISED Edition with NEW COVER! I have eight golden rules when it comes to men; 1. No dating or going out on dates. 2. Never let them know where I live. Lie if I must. 3. Never pick up a guy in a particular social setting that I may frequently attend. Or, never sleep with a man whom I have

the chance of running into on a regular basis. 4. Never have a guy over to my apartment for any reason. My gay best friends are the only exceptions. 5. Always end things before a guy starts to want more. 6. Always use protection. 7. Never sleep over at their place after sex. Once we've finished, or in most cases, they've finished, dress and leave. 8. Always have more than one exit strategy. Orphaned at age sixteen, Emma, now twenty-four, has complete control of her life. She is a private, successful business woman who owns two companies and uses men for sex. When Emma's sexual itch arises, and there are no possible male suitors to fill her need, she finds alternative means. Emma keeps most people at a distance, especially the men she has sex with, except her two best friends, Maggie and Jared. She adheres to her eight
