~~It is 1241 AD, and the Mongols have just invaded Europe, effecting a giant collision of cultures. Hungarian King Béla has already declared a state of emergency, Mongolian troops have killed nearly three hundred thousand people in Moscow, and now everyone fears the troops are headed for Poland. As King Boleslav and his son, Prince Alexander, anxiously await the Mongols' next move, they have no idea that a team of cavalry scouts has already made the decision to assassinate the Great Khan of Mongolia. Now all the scouts must do is capture the one person who can help them execute their plan. Tianyin has been assigned to find a girl with one blue eye and one brown eye, possessing a dagger carved with the Great Khan's name--and he must do so before the army seizes Krakow. Angela Cherreh, however, has grown up in Poland without any clue that she is the Mongolian princess they are seeking. And now she stands at the stake, preparing to be burned alive because everyone believes she is a witch. In this historical tale, an assassin and a princess discover that sometimes things do not turn out as expected, especially in an uncertain and dangerous world.~~

~~Winner of the NAACP Image Award for Outstanding Literary Work/Biography. In Across That Bridge, Congressman John Lewis draws from his experience as a prominent leader of the Civil Rights Movement to offer timeless wisdom, poignant recollections, and powerful principles for anyone interested in challenging injustices and inspiring real change toward a freer, more peaceful society. The Civil Rights Movement gave rise to the protest culture we know today, and the experiences of leaders like Congressman Lewis, a close confidant to Martin Luther King, Jr., have never been more relevant. Despite more than forty arrests, physical attacks, and serious injuries, John Lewis has remained a devoted advocate of the discipline and philosophy of nonviolence. Now, in an era in which the protest culture he helped forge has resurfaced as a force for change, Lewis' insights have never been more relevant. In this heartfelt book, Lewis explores the contributions that each generation must make to achieve change.~~
