Equipment 1970-2000  
currently exist in twelve categories ranging from ceremonial uniforms to combat dress (with full dress uniform and frock coats listed in addition). Uniforms in the British Army are specific to the regiment (or corps) to which a soldier belongs. Full dress presents the most differentiation between units, and there are fewer regimental distinctions between ceremonial dress, service dress, barrack dress and combat dress, though a level of regimental distinction ...

Ceto Militaria Military Uniform Sales  
The 37 Pattern Battle Dress was the  
primary uniform for the British Army  
in WW2. It was designed by the War  
Office throughout the 1930s, with the  
design finalised in 1937, hence its P37  
or 37 Pattern name. Our impressive  
reproduction is made from a thick  
khaki wool, with a pair of pleated  
pockets and concealed buttons on  
the tunic.

A detailed guide to the arms and uniforms of the British army from Northern Ireland to Iraq

“ Of great use to anyone interested in the 18th century British Army as well as illustrators and others who need detailed information. ” —Classic Arms and Militaria Based on records and paintings of the time, this book identifies each cavalry and infantry regiment and illustrates changes in uniforms, their facing colors, and the nature and shape of lace worn by officers, NCOs and private soldiers from 1751 to 1783. Regiments that served in the American War of Independence are noted and the book includes more than 200 full-

Equipment, 1870-2000

dress and discipline helped to mold the military man and attempted to seduce the hearts and minds of a nation while serving to intimidate civil rioters in peacetime. Often ridiculed for their constrictive splendor, British army uniforms of the early nineteenth century nonetheless played a powerful role in the troops' performance on campaign, in battle, and as dramatic entertainment in peacetime. Plumbing a wide variety of military sources, most tellingly the memoirs and letters of soldiers and civilians, Scott Hughes Myerly reveals how these ornate sartorial creations, combining symbols of solidarity and inspiration, vivid color, and physical restraint, enhanced the managerial effects of rigid discipline, drill, and torturous punishments, but also helped foster regimental esprit de

corps. Encouraging recruitment, enforcing discipline within the military, and boosting morale were essential but not the only functions of martial dress. Myerly also explores the role of the resplendent uniform and its associated gaudy trappings and customs during civil peace and disorder--whether employed as public relations through spectacular free entertainment, or imitated by rioters and rebels opposing the status quo. Dress, drills, parades, inspections, pomp, and order: as this richly illustrated book conducts us through the details of the creation, design, functions, and meaning of these aspects of the martial image, it exposes the underpinnings of a mentality--and vision--that extends far beyond the military subculture into the civic and social order that we

Gale and Polden's postcards of British uniforms are now widely collected but little is known about the artists and few of their original paintings have survived. Now over 130 of these rare works by artists such as Harry Payne, Edgar A. Holloway, John McNeill, and Ernest Ibbetson are reproduced here for the first time in full colour with background information as to how the pictures were created. This book is a useful reference for postcard collectors, miniature modelers, as well as collectors and scholars of early twentieth century British uniforms.

uniforms of each regiment of cavalry and infantry from 1751 to 1783, including those worn during the Seven Years' War and the American War of Independence. This lavishly illustrated book shows how the cut and colouring of the uniforms of the officers, the NCOs and the private soldiers changed over the course of more than thirty years. The survey is divided into four parts. Part one looks at the commonalities of cavalry uniforms and focuses on the uniforms that were appropriate to each regiment. Headwear and horse furniture are also considered. Part two contains a wealth of full-colour plates detailing the uniforms of the Household Cavalry, the Heavy Cavalry and Light Cavalry. Parts three and four cover infantry uniforms, including those of the regiments of
