The current way of treating people at work has failed. Globally, only 30% of employees are engaged in their jobs, and in this fast-paced world that's just not enough. The world's best companies understand this, and have been quietly treating people differently for nearly two decades. Now you can learn their secrets and discover The Engagement Bridge™ model, proven to build bottom line value for companies through sustainable employee engagement. Companies with the best cultures generate stock market returns of twice the general market and enjoy half the employee turnover of their peers. Their staff innovate more, deliver better customer service and, hands-down, beat the competition. These companies outperform and disrupt their markets. They break the rules of traditional HR, they rebel against the status quo. Build it has found these rebels and the rulebreakers. From small startups to global powerhouses, this book shows that courage, commitment, and a people-centric mindset, rather than money and resources, are what you need to turn an average business into a category leader. The book follows the clear and proven Engagement Bridge™ model, developed from working with thousands of leading companies worldwide on their own employee engagement journeys. The practical model highlights the areas that leaders need to examine in order to build a highly engaged company culture and provides a framework for success. Build it is packed with tips, tools and real-life examples from employers including NASDAQ, Unilever, IBM, KPMG, 3M, and McDonald's to help you start doing this not tomorrow, but today. Readers will learn: How employee engagement helps companies perform The key factors that drive engagement, and how they work together What the world's most rebellious companies have done to break the rules of traditional HR and improve engagement How to implement The Engagement Bridge™ model to boost productivity, innovation, and better decision-making Unique in this category, Build it is written from two sharply different perspectives. Glenn Elliott is a multi-award winning Entrepreneur of the Year, CEO and growth investor. He talks candidly about the mistakes and missteps he has made whilst building Reward Gateway into a \$300m category leader in employee engagement technology. Debra Corey brings 30 years experience in senior level HR roles at global companies such as Gap, Quintiles, Honeywell and Merlin Entertainments. She shares the practical tools and case studies that can kickstart your employee engagement plan, bringing her own pragmatic and engaging style to each situation.

Attract top talent and energize your workforce with a MAGNETIC CULTURE “Sheridan outlines simple but powerful steps to take in creating and maintaining an organization that fosters an environment with similar attraction.” —Marshall Goldsmith, Ph.D., international bestselling author of MOJO and What Got You Here Won't Get You There “A compelling case for and guide to the creation of a high engagement/high performance workforce.” —Douglas R. Conant, retired president and CEO, Campbell Soup Company; New York Times bestselling author of TouchPoints “It's impossible for any company to have a monopoly on talent. But it is possible to have the best culture. Sheridan shares insights and best practices for creating an engaging culture where associates can grow and thrive.” —Frits van Paassche n, president and CEO, Starwood Hotels & Resorts Worldwide, Inc. “A long time ago I discovered that when employees are passionate about their work, customers are passionate about the company. Kevin Sheridan knows that secret too. His insights on finding the right people and getting them engaged can change your culture forever.” —Quint Studer, founder of Studer Group, 2010 Malcolm Baldrige National Quality Award recipient “This book is filled with practical ideas, illuminating case stories, and fresh perspectives to stir employee engagement in any organization.” —Pamela Meyer, Ph.D., author of From Workplace to Playspace: Innovating, Learning and Changing through Dynamic Engagement About the Book: The perils of a disengaged workforce are well known—low productivity, high employee turnover, and failure to meet organization-wide goals. Less well known is what to do about it. How do you create a workforce that is always ready, able, and eager to take the organization to the next level? You have to create a MAGNETIC CULTURE. As CEO of leading employee survey and HR consulting firm HR Solutions, Inc., Kevin Sheridan knows how it's done—and in Building a Magnetic Culture, he shares all his secrets. Building a Magnetic Culture explains what engages and motivates employees and how to create an environment in which employees can thrive. Drawing on years of research and real-world examples from his consulting experience, Sheridan gives you the strategies and tactics you need to transform your company by creating and sustaining a Magnetic Culture. Providing benchmarking and best practices, as well as interviews with executives and HR professionals at companies that boast the highest levels of employee engagement, Sheridan outlines an easy-to-follow plan that: Attracts the most talented people—and retains them Makes employees feel they are part of the value that their organization creates Increases Employee Engagement and drives productivity Boosts creativity and problem solving According to HR Solutions' own employee survey results, actively engaged employees show four times more satisfaction in their work and are four times less likely to leave than disengaged employees are. Is there a reason not to make building a Magnetic Culture your top priority? Simply put, organizations that place a high value on actively cultivating a culture of engagement stand apart from their competition and enjoy superior

For organizations to maintain their competitive advantage, their people need to be performing to the best of their abilities. But in a world of increasing stress and pressure, of rapid technological change and digital overload, supporting and developing employees has never been more difficult. To develop top-performing employees, HR professionals need to move beyond ad hoc engagement initiatives and instead to design and embed employee experience throughout an organization's processes and culture - from the moment an employee sees a job advert to the moment they leave the company. Employee Experience is a practical guide to achieving this. Employee Experience is full of tools, tips and advice to help HR professionals and business leaders motivate, support and develop their staff to achieve exceptional individual and organizational performance. It includes guidance on how to build experience capabilities in an HR team and on communicating, sustaining and evolving the employee experience, as well as on using networks, nudges and technology. Containing a foreword by Global Industry Analyst Josh Bersin and case studies from companies including Airbnb, Starbucks and Sky, the book shows how focusing on the employee experience improves performance, productivity and profits and how organizations of any size can achieve this success.

Aquaponics is a method of growing fish and vegetables in a simple recirculating system. This book is designed and written to provide basic information and direction for people interested in building a backyard aquaponics system. It is NOT a "how-to" manual listing parts and with step-by-step procedures, but it's more like a conversation that you might have with a good friend about how he built his system. It is written to be easily understandable and includes lots of pictures and graphics. NOTE: This 5.5"x8.5" version contains the same information as the first edition however the physical size has been substantially reduced.
