networks for the processing and distribution of data.

Written by experienced teachers and experts, Building and Furniture Technology for CSEC takes a skills-led approach. It concentrates on the development of skills, critical thinking and teamwork providing a firm foundation for the SBA, further study and beyond.

Covering the fundamentals of electrical technology and using these to introduce the application of electrical and electronic systems, this text had been updated to include recent developments in technology. It avoids unnecessary mathematics and features improved teaching aids, including: worked examples; updated and graded review questions; colour diagrams and chapter summaries. It is designed for use by students on NC, HNC and HND courses in electrical and electronic engineering.

Guidebook showcasing successful, innovative education initiatives to help meet the MDGs and Education for All targets from around the Commonwealth, in a concise and easy-to-use format. Provides policy-makers with examples of solutions that will assist them in devising strategies to counter their own educational challenges.

Benefit from expert guidance in this new edition of a tried and trusted approach; updated to reflect the new CSEC® IT curriculum, it provides an engaging and accessible approach to theory and practice. - Prepare for SBA with advice and guidance and a full sample SBA project and suggested solution at the end of Chapter 16. - Consolidate learning through a range of question types such as Multiple Choice, True or False, Short Answer, Research, Project and a fun Crossword puzzle. - Confidently cover new topics and emerging technology with straightforward explanations and numerous examples. The answers can be found here: www.hoddereducation.co.uk/Log-on-to-IT-Answers

This text has been designed to assist students who are studying building construction and technology as part of their technical education. It has been specially prepared to match the typical syllabuses found in senior secondary schools and colleges where technical and vocational studies form part of the
